exciting years of your life Lloyd John Ogilvie Don't Settle for Anything Less A lot has changed since this timeless devotional was first released almost 40 years ago but one truth has stayed the same a loving Savior still calls you closer to Him and wants His very best for you Will you accept His gracious invitation These short yet powerful devotions will take you less than 10 minutes each to read but their impact on your daily life will be incalculable As you fellowship with God and learn more about Him you'll experience anew His grace mercy wisdom and more This beautifully designed edition of this classic devotional makes an ideal gift or a great way to rededicate yourself to spending more time in God's presence Are you ready to experience His best Start today **Living in God's Best Study Guide** Andrew Wommack, 2022-02-01 Whether you are teaching a Sunday school class leading a small group discipling an individual or studying on your own this study guide is designed for you Each lesson consists of the Lesson text Outline Teacher's Guide Discipleship Questions Answer Key and Scriptures As a bonus you can download PDFs of the Outlines Discipleship *Standing for God's Ideal* Randy Langham, 2019-08-28 The libraries counseling offices and even pastors have a variety of viewpoints on divorce and remarriage When you study these sources you may discover two common approaches they give for deriving their conclusions One popular approach comes from the personal experiences of the authors or from the experiences of those close to them For many authors who are Christians additional scientific research and Bible verses are added Another popular approach comes from ministers and or biblical scholars who evaluate the dozen or so scripture passages directly related to divorce The authors suggest a biblical understanding of marriage and divorce which comes from the study of these selected passages Then you come across this book The approach of this book is very different The first part of the book pursues where truth originates This becomes the foundation for building any faith structure The next phase of the book looks at the big picture of truth and how it relates to life and eventually to aspects of marriage After presenting the big picture the book moves to the third phase which looks at the details of some related passages In addition to a focus on the true source of truth and a focus on the macroscopic in balance with the microscopic the book adds another unique feature fallacies Thirty four fallacies expose many false beliefs that are common today May you look beyond the black and white perspectives of dos and don'ts and move to the life of living color which God makes available to each of us when we put our trust in him and choose to stand for God's ideal His principles for life are practical and not a bunch of rigid rules His truths lead us to an abundant life filled with relevance Live God's Best Today Josué Matos, We all long to live a meaningful life full of purpose and true joy However in a world marked by pressures challenges and uncertainties it's easy to get lost in the day to day and miss out on experiencing the best that God has prepared for each of us Live God's Best Today is an invitation to step out of autopilot and enter into a full life guided by faith and hope in God God did not create us for an empty or routine life but to live each moment intensely with a heart filled with purpose and confidence in His care He desires that we experience joy peace and fulfillment even in the midst of challenges Yet we often fail to recognize His daily blessings and opportunities because our

perspective is clouded by worries or frustrations This book is about adjusting our vision transforming the ordinary into a journey filled with purpose and discovering the best that God has to offer In light of biblical teachings this book aims to guide you through a transformative process a spiritual journey to live out God s plan in its fullness Each chapter will bring practical reflections on how to live authentically seizing each moment to experience the joy and peace that can only be found in Christ Here we ll explore how to recognize the opportunities God places before us overcome fears that hold us back and with a grateful heart embrace the blessings He provides We can see this clearly in the lives of biblical characters like Joseph who despite being sold into slavery and facing injustices maintained his faith in God and ultimately became the second most powerful man in Egypt saving many from famine Genesis 37 50 Like Joseph we are called to trust in God even when circumstances seem contrary knowing that He is in control and working for our good Romans 8 28 Another example is David who faced giants both literally and figuratively When he confronted Goliath David relied not on his own strength but on the Lord of Hosts 1 Samuel 17 45 47 Likewise we are challenged to face our own giants trusting that God fights for us and empowers us to overcome We also see the Apostle Paul who even while imprisoned and facing persecution declared I have learned to be content in any situation Philippians 4 11 Paul understood that true contentment does not depend on external circumstances but on God s presence in our lives This same confidence can help us live God s best regardless of the difficulties we face It s not about living a problem free life or a promise of no hardships but about living with the awareness that even in the storms God is present Let s remember the disciples in the boat during the storm when the Lord Jesus calmed the sea and asked why they had so little faith Mark 4 35 41 It s about learning to trust that God is guiding us down the right paths even when we cannot clearly see the future When we choose to live God s best today we choose to place our hope in Him knowing that we are loved and cared for by a Father who never abandons us If you want to experience a richer life full of meaning and purpose this book is for you It is a journey that requires a willingness to change how we see ourselves others and our relationship with God May you open your heart to what God wants to do in your life and live the best He has reserved for you not tomorrow but today
