Shakespearean Costume For Stage And Screen:

Stage and Screen Bert Cardullo, 2011-11-17 Classic and new essays examining the historical cultural and aesthetic relationships between theater and film *Shakespearean Costume for Stage and Screen* Francis Michael Kelly, 1930

Shakespeare's Theatre Hugh Macrae Richmond, 2004-01-01 Under an alphabetical list of relevant terms names and concepts the book reviews current knowledge of the character and operation of theatres in Shakespeare's time with an explanation of their origins Shakespearean Biofiction on the Contemporary Stage and Screen Edel Semple, Ronan Hatfull, 2023-11-02 This book is the first edited collection to explore Shakespeare's life as depicted on the modern stage and screen Focusing on the years 1998-2023 it uniquely identifies a 25-year trend for depicting Shakespeare his family and his social circle in theatre film and television Interrogating Shakespeare's afterlife across stage and screen media the volume explores continuities and changes in the form since the release of *Shakespeare in Love* which it positions as the progenitor of recent Shakespearean biofictions in Anglo-American culture It traces these developments through the 21st century from pivotal moments such as the Shakespeare 400 celebrations in 2016 up to the quatercentenary of the publication of the First Folio whose portrait helped make the author a globally recognisable icon The collection takes account of recent Anglo-American socio-political cultural and literary concerns including feminism digital media and the biopic and superhero genres The wide variety of works discussed range from *All is True* and *Hamnet* to *Upstart Crow* *Bill* and even *The Lego Movie* Offering insights from actors dramatists and literary and performance scholars it considers why artists are drawn to Shakespeare as a character and how theatre and screen media mediate his status as literary genius **Shakespeare, from Stage to Screen** Sarah Hatchuel, 2004-08-12 How is a Shakespearean play transformed when it is directed for the screen In this 2004 book Sarah Hatchuel uses literary criticism narratology performance history psychoanalysis and semiotics to analyse how the plays are fundamentally altered in their screen versions She identifies distinct strategies chosen by film directors to appropriate the plays Instead of providing just play-by-play or film-by-film analyses the book addresses the main issues of theatre film aesthetics making such theories and concepts accessible before applying them to practical cases Her book also offers guidelines for the study of sequences in Shakespearean adaptations and includes examples from all the major films from the 1899 *King John* through the adaptations by Olivier Welles and Branagh to Taymor's 2000 *Titus* and beyond This book is aimed at scholars teachers and students of Shakespeare and film studies providing a clear and logical apparatus with which to examine Shakespearean screen adaptations **The Complete Costume Dictionary** Elizabeth J. Lewandowski, 2011-10-24 While there are costume and fashion dictionaries tied to specific countries or periods none have been comprehensive In *The Complete Costume Dictionary* Elizabeth Lewandowski has collected from a variety of sources including costume history texts journal articles historical publications autobiographies biographies foreign language dictionaries and contemporary publications to create a resource that spans the globe from the earliest record of fashion to

the 21st century Including more than 20 000 fashion and costume terms this volume also features more than 300 illustrations The first section of the book is an alphabetical listing of these words with their definitions period and country of origin This volume also contains appendixes that list the terms by country of origin period and type of clothing The book is not limited to the Western World and includes both archaic and current terms Significantly greater in scope than anything currently available online or in print this one of a kind publication is an invaluable resource for costume and fashion historians textile preservationists period re enactors and history and theatre scholars as well as theatre professionals

Design by Motley
Michael Mullin,1996 *The New Stagecraft* which Motley helped to shape replaced the painted three dimensional sets and realistic costumes of the nineteenth century stage with fluid representational scenery and evocative costumes Together the elements of the design formed a unified interpretation of the play Motley s accomplishments were especially significant because they spanned both New York and London and set a standard for beauty and excellence in theatre design that lives on today in the work of their many students

Shakespeare and Costume in Practice Bridget Escolme,2020-12-23 What is the role of costume in Shakespeare production *Shakespeare and Costume in Practice* argues that costume design choices are central not only to the creation of period setting and the actor s work on character but to the cultural political and psychological meanings that the theatre makes of Shakespeare The book explores questions about what the first Hamlet looked like in his mourning cloak how costumes for a Shakespeare comedy can reflect or critique the collective nostalgias a culture has for its past how costume and casting work together to ask new questions about Shakespeare and race Using production case studies of *Hamlet* *Much Ado About Nothing* and *The Tempest* the book demonstrates that costume design can be a site of experimentation playfulness and transgression in the theatre and that it can provoke audiences to think again about what power race and gender look like on the Shakespearean stage

Screening the Stage Bert Cardullo,2006 This book examines the historical cultural and aesthetic relationships between theater and film As we enter the 21st century almost all artists students and critics working in theater will have had earlier and greater exposure to film than to theater In fact film has become central to the way in which we perceive and formulate stories images ideas and sounds At the same time film and video occupy an increasingly significant place in theater study both for the adaptation of plays and for the documentation and preservation of theatrical performances Yet far too often theater and film artists as well as educators make the jump from one medium to the other without being fully aware of the ways in which the qualities of each medium affect content and artistic expression This book is intended to fill such a gap by providing a theoretical and practical foundation for understanding the effect that film and drama have had and continue to have on each other s development Moreover this study provides a history of the relationship between drama and cinema starting with the pre cinematic late 19th century impulse towards capturing spectacular action on the stage and examining the artistic and commercial interaction between movies and plays both in popular and experimental work throughout the 20th century Important subjects

treated in this book include stage versus screen acting the adaptation process itself the theatrical as well as the cinematic avant garde and the portability or adaptability of dramatic character

Staging Shakespearean Theatre Elaine A. Novak, 2011-05-30 From auditions and rehearsals to publicity this guide leads even inexperienced directors producers choreographers and actors through the complicated and sometimes fearsome task of staging Shakespeare Comprehensive information is presented in a browsable format including historical background of the Elizabeth period descriptions of major plays a glossary of terms suggestions for modern interpretations step by step instruction for choreographing fight scenes and a full treatment of Romeo Juliet

The Costume Technician's Handbook Rosemary Ingham, Liz Covey, 2024-03-11 Since its first publication in 1980 The Costume Technician's Handbook has established itself as an indispensable resource in classrooms and costume shops Ingham and Covey draw on decades of hands on experience to provide the most complete guide to developing costumes that are personally distinctive and artistically expressive No other book covers the same breadth of necessary topics for every aspect of costuming from the basics of setting up a costume shop to managing one and everything in between

Theater and Film Robert Knopf, 2008-10-01 This is the first book in more than twenty five years to examine the complex historical cultural and aesthetic relationship between theater and film and the effect that each has had on the other's development Robert Knopf here assembles essays from performers directors writers and critics that illuminate this ongoing inquiry The book is divided into five parts historical influence comparisons and contrasts writing directing and acting with interludes by major artists whose work and words have shaped the development of theater and film A comprehensive bibliography and filmography support further work in this area The book contains contributions from Susan Sontag Stanley Kauffmann Sarah Bey Cheng Bertolt Brecht Ingmar Bergman Harold Pinter David Mamet Julia Taymor Judi Dench Sam Waterston Orson Welles Antonin Artaud and Milos Forman among others

Shakespeare and Domestic Life Sandra Clark, 2018-06-14 This dictionary explores the language of domestic life found in Shakespeare's work and seeks to demonstrate the meanings he attaches to it through his uses of it in particular contexts Domestic life covers a range of topics the language of the household clothing food family relationships and duties household practices the architecture of the home and all that conditions and governs the life of the home The dictionary draws on recent cultural materialist research to provide in depth definitions of the domestic language and life in Shakespeare's works creating a richly rewarding and informative reference tool for upper level students and scholars

Shakespeare and Costume Patricia Lennox, Bella Mirabella, 2015-02-26 Inspired by new approaches in performance studies theatre history research in material culture and dress history a rich discussion of the many aspects of costume in Shakespearean performance has begun Shakespeare and Costume furthers this research bringing together varied and stimulating essays by leading scholars that consider costume from literary dramatic design performative and theatrical perspectives as well as interviews with renowned theatre practitioners Jane Greenwood and Robert Morgan The volume amply demonstrates how an analysis of the meaning of

costume enriches our understanding of Shakespeare's plays Beginning with an overview of the stage history of Shakespeare and costume the volume looks at the historical context of clothing in the plays considering topics such as royal self-fashioning festive livery practices and conceptions of race and gender exhibited in clothing choice as well as costume in performance Drawing on documentary evidence in designers' renderings illustrations in periodicals paintings photographs newspaper reviews and actors' memoirs the volume also explores costume designs in specific Shakespeare productions from the re-opening of the London theatres in 1660 to the present day

From Stage to Screen Shuang Wang, 2023-05-16 Chinese martial arts cinema is held to be a synthesis drawing on artistic conventions of traditional Chinese theatre Film sound and music perform as the legitimate heirs of some of the aesthetic ideas and norms of traditional Chinese theatre This book critically examines the history of this under-explored field of inquiry from a theoretically comparative perspective demonstrating that the musical codes drawn from traditional theatre are a constantly changing component integral to Chinese martial arts cinema It explores the interaction between traditional Chinese theatre and Chinese martial arts cinema in how the musical codes of the former have shaped the aesthetics of the latter uniquely This departs from conventional existing studies that focus on adaptation The book's historical and theoretical approach connects film theatre and music and re-defines the status of distinctive domains of filmic expression grounding theatre as the pivot or hinge of film aesthetics The book proffers this unique angle of research to rethink and re-imagine film sound and audiovisual synchronisation Primarily intended for scholars in Chinese cinema film music Chinese theatre and visual culture this monograph also presents introductory and comprehensive material for undergraduate and graduate level courses in film and media studies film music Chinese cinema and Chinese theatre

Shakespeare and Stage Costume Oscar Wilde, 1909

Screening the Royal Shakespeare Company John Wyver, 2019-06-27 No theatre company has been involved in such a broad range of adaptations for television and cinema as the Royal Shakespeare Company Starting with Richard III filmed in the Shakespeare Memorial Theatre before World War One the RSC's accomplishments continue today with highly successful live cinema broadcasts The Wars of the Roses BBC 1965 Peter Brook's film of King Lear 1971 Channel 4's epic version of Nicholas Nickleby 1982 and Hamlet with David Tennant BBC 2009 are among their most iconic adaptations Many other RSC productions live on as extracts in documentaries as archival recordings in trailers and in other fragmentary forms Screening the Royal Shakespeare Company explores this remarkable history of collaborations between stage and screen and considers key questions about adaptation that concern all those involved in theatre film and television John Wyver is a broadcasting historian and the producer of RSC Live from Stratford upon Avon and is uniquely well-placed to provide a vivid account of the company's television and film productions He contributes an award-winning practitioner's insight into screen adaptation's numerous challenges and rich potential

Shakespeare and the Renaissance Stage to 1616 Hugh M. Richmond, 1999

Screening Shakespeare from Richard II to Henry V Ace G. Pilkington, 1991 This book applies the videocassette to the study of

Shakespeare on television and film The result is that the films become texts and Shakespeare in performance can be examined with the scholarly care that has been reserved for printed books

The Routledge Guide to William Shakespeare Robert Shaughnessy, 2013-05-13 Demystifying and contextualising Shakespeare for the twenty first century this book offers both an introduction to the subject for beginners as well as an invaluable resource for more experienced Shakespeareans In this friendly structured guide Robert Shaughnessy introduces Shakespeare s life and works in context providing crucial historical background looks at each of Shakespeare s plays in turn considering issues of historical context contemporary criticism and performance history provides detailed discussion of twentieth century Shakespearean criticism exploring the theories debates and discoveries that shape our understanding of Shakespeare today looks at contemporary performances of Shakespeare on stage and screen provides further critical reading by play outlines detailed chronologies of Shakespeare s life and works and also of twentieth century criticism The companion website at www.routledge.com/textbooks/shaughnessy contains student focused materials and resources including an interactive timeline and annotated weblinks
