comprehensive discussion of Jewish apocalyptic literature and themes in the Second Temple period and in early Christianity In it there is a sustained challenge to the widespread view that apocalypticism is a form of eschatology and it has been widely recognised as a significant contribution to the discussion of apocalypticism in religion since it was first published twenty years ago By concentrating on the revelatory character of apocalyptic texts rather than their diverse contents the author suggests that it is this aspect of the literature which best enables us to understand their distinctive religion The book offers a sustained argument for the view that apocalyptic literature is primarily about the disclosure of heavenly wisdom which offers recipients an understanding of life in the present He also suggests that there may be some evidence to support the view that apocalypses include reports of visionary experience The approach to apocalypticism in early Christianity stresses the importance of the visionary element as a decisive element in the history of Christian origins *Power Portals Study Guide* Joshua Mills, 2020-11-24 Become a Conduit of God's Power I encourage you to read Joshua's book not only to learn about the glory but also to be changed by the glory Bill Johnson This book is boot camp for the next and greatest move of God's Spirit in history Sid Roth All Christians are intended to live move and operate in the supernatural realm But many people aren't sure how to enter into this realm or how to go deeper in the Spirit Joshua Mills explains that much more than sensing what God is doing we can participate in the supernatural on a daily basis through divine portals or gates In this study guide companion to his book Power Portals Joshua clearly shows believers how they can become conduits of God's power Within a power portal we may experience a sudden realization of God's presence an abundance of healing spontaneous joy signs and wonders angelic activity an increase in spiritual dreams and visions or extravagant provision Some portals can be activated in our own bodies through the heart mouth eyes and ears mind innermost being hands and feet There are also direct heavenly portals and geographical portals special places where we can experience the release of God's power The Power Portals Study Guide which can be used by either individuals or groups contains some brand new material to further your understanding of these gateways to the Spirit realm The guide is also filled with key points from the book thought questions review questions and supernatural activations Get ready to awaken your connection to the Spirit realm Get ready to encounter Power Portals Joshua Mills has taken deep spiritual revelation and translated it into language that any reader can understand and apply to daily life Becky Thompson Joshua Mills gives you teachings you can trust and revelations that get you results Tony Kemp PowerPortalsBook Worship That Touches the Heart of God Nina Gardner, 2015-06-18 Do you feel truly alive or are you just going through the motions in life The fulfillment you seek can be found in worship a worship that starts within you The sweet psalmist David provided us his key to worship which God vowed would never end Once you know where you fit into this pattern of worship and experience its freedom you will never opt to live a life of merely going through the motions again You will worship not because you are told to but because you love to In worship God's heart of love is found Through it you can find joy and feel more alive than ever before *The Concise New International Dictionary of New*
