Lord, Make My Life Count Raymond C. Ortlund, Ortlund, 1975 *Lord, Make My Life Count* LaVonne Wood, 2021-03-19

Have you ever wondered if you have made a difference in this life Well you have With every smile you put on someone s face every tear you ve cried with or for someone every word of advice every word of encouragement you ve given you have made a difference in someone s life These fifty one stories poems and articles are my way of making you laugh encouraging you and giving you hope Every personal story made a difference in my life helping me love my Lord my husband and people more Take your time to read each story and ponder how the Lord is speaking to you How can you receive the love of the Savior more deeply How can you forgive those who have hurt you How can you reach out to others My prayer is that you will first and foremost come to know the Savior s love for you **Make My Life Count** Lois Smith, 2017-06-27 This is my story of the times when the Lord had caused me to perceive his amazing presence and to know by experience his preservation of my life It is my desire to share how God is continually at work even today in our lives in this generation just as he had in previous generations I want to share the many wonderful times that he has chosen to reveal his hand to me as he has been involved in the day by day circumstances of my own life I will also write about the times when I saw him work through me and the ways that he would reveal himself to others It was in those times when he would help them and things would happen in such a way that they were aware that it wasnt me His desire is to turn people to look to him because his hand is open to meet their need in a way that only he can *The Ministry of the Word, Vol. 03, No. 02* Various Authors, 2023-03-03 In this issue of The Ministry we continue the speaking by Brother Lee concerning the God ordained way as the present practice in God s economy In this message we see some practical steps to carry out the home meetings so that the church life becomes a part of the saints daily life The churches should make a census of all the dormant members and be burdened to recover them house by house until they are firmly established and rooted in the church This requires our diligent thorough and practical labor together with God In addition Brother Lee speaks a word on how the churches should care for the full time serving ones among us The next three messages are a continuation of messages given in the full time training in Anaheim in the fall of 1997 concerning the grafted life These messages begin to unveil the relationship between the grafted life and God s organic salvation Message Seven unfolds the matters of regeneration and sanctification Regeneration is to bring God into man to have God as life in addition to our original human life Sanctification is to be saturated with God organically sanctification is for God s sonizing that is sanctification is for sonship Message Eight presents the matters of renewing and transformation As believers we must be thoroughly and absolutely renewed so that we may be the new creation of God and for God To be renewed is to have God s element added into our being to replace and discharge our old element Transformation as the issue of renewing is not an outward change or correction but it is a spiritual metabolism it is the metabolic function of the life of God in the believers Message Nine shows us that conformation denotes the shaping of life as

the divine life grows within us and transforms us it spontaneously shapes us into the form the image of the firstborn Son of God Glorification however is the step in God s complete salvation in which God will completely saturate our body with the glory of His life and nature Lastly we include letters concerning the Lord s move in the Pacific Islands and Romania **Keep Hope Alive** Femi Aluko,2022-05-23 ABOUT THIS BOOK No mater how painful our trials may seem the last chapter of our lives has not been written God will yet turn all things around for your good One day we shall see that all has truly been worthwhile Life can be viewed as a tapestry woven in strands Now we see only the reverse side All the strands of our lives are crisscrossed there is neither rhyme nor reason to the mixture of colors But one day the tapestry will be complete Then the weaver will turn it over for all to see Instead of the mess that we have observed we will see a glorious picture of incredible beauty When God writes the last chapter all the strands in the story will be drawn together Events that appeared meaningless pains that seemed senseless will take on meaning beyond imagination There are bumps on the highway to glory We need to keep hope alive to arrive at the place of destiny KEEP HOPE ALIVE Volume 2 is a collection of additional inspired insights from the word of God by the author **Prayer, Praise & Promises** Warren W. and group discussion **Winning** Travis Moody,2016-05-13 There is no question that life is definitely more fun when we win Unfortunately many of us are just drifting through life while often facing defeat at every turn We long to improve our relationships our health and our finances but for many of us it seems as though we are just getting by in life The good news is that God does not want us just to survive so that we can enjoy eternity God wants for us the same thing that we all want for ourselves to win in life He wants for us to win in our relationships in our health and in our finances This book will help you do just that Winning begins with a brief self assessment that encourages honest reflection on the kinds of behaviors that trigger freedom peace and inner strength Travis Moody a former college athlete and corporate executive turned life coach and stewardship consultant relies on his personal experiences both good and bad to provide practical and spiritual advice intended to help you move from merely surviving to living a life of success and ultimately a life fulfilling your own unique purpose In this step by step guide you will learn how to win in every area of your life *Songs in the Night* Pamela Goss,2019-07-18 Your life can change in the blink of an eye Unexpectedly something happens that turns your world upside down You're blindsided and overwhelmed It seems like you have a mountain to climb every day This book of prayers will help you through such a time offering hope and encouragement God is waiting to hear from you to come alongside and give you strength He cares about you and loves you deeply Even in your darkest circumstances there can be hope and even joy God Gave Me a Rhyme Pat Harold Carter,2009-03 Three weeks before he turns 18 Pat Harold Carter meets a Southern belle named Evelyn at Louisiana College and he's immediately smitten Under normal circumstances he'd proceed with a typical courtship but it is 1944 and so he signs up to join the Navy It's better than being drafted as an infantryman he thinks But two years later and in ill health Pat is still in the Navy Evelyn now a junior is impressed with the cool young veterans who are enrolling in college Against all odds however Pat and Evelyn put faith first and decide to adventure with God They marry and their life becomes a poem full of truth passion and goodness Whether they are in New Orleans San Francisco Texas or in the northern desert of Mexico the couple never fails to learn the lessons of prayer and faith as they confront the evils of the world Take a journey with Pat and Evelyn and interpret their life as a poem of God written in rhyme with the life of Caleb the Old Testament warrior They never stop believing in God Gave Me a Rhyme
