Loreto And The Holy House:

The Legend of Our Lady of Loreto Anna Maria Domenella, Alessandra Borroni, 2021-07-06 The Holy House of Nazareth where the Virgin Mary lived and later lived Jesus with his family at the end of the eleventh century was transported to Italy where he is currently located The legend of this passage still fascinates young and old It says that the Holy House arrived in Loreto on the wings of the angels The volume rich in illustrations and texts recreates the evocative and delicate atmospheres of the mysterious journey of the Black Madonna The book suitable for readers of all ages is the first of the series Divine Stories that aims to pass down in a simple and immediate way stories legends beliefs that belong to the tradition **Loreto and the Holy House** Godfrey E. Phillips, 2015-07-20 Excerpt from Loreto and the Holy House Its History Drawn From Authentic Sources In reply to a petition made to him by the Bishops of the Province of Piceno in which Loreto stands our Holy Father Pope Benedict XV has issued a Decree dated April 12 1916 ordering the Feast of the Translation of the Holy House to be hence forth observed each year on the 10th of December in all the Dioceses and Religious Congregations of Italy and the adjacent isles Moreover by the same Decree he grants permission for the extending of the festival to all other Dioceses and Religious Congregations on its being applied for by the Ordinaries The Pontiff expressly grounds the granting of this favour on the acknowledged pre eminence of the Loreto Sanctuary it being as the preamble states the House itself translated from Palestine by the ministry of Angels in which was born the Blessed Virgin Mary and in which the Word was made flesh About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Loreto and the Holy House** Godfrey E. that interpretation into question by examining historical accounts of the movement of the Holy House across the Mediterranean in the thirteenth century and the Atlantic in the seventeenth century. These records indicate vast and voluntary involvement in the project of formulating a branch of Catholic devotion. Vlez surveys the efforts of European Jesuits, Slavic migrants and indigenous peoples in Baja California, Canada and Peru. These individuals contributed to the expansion of Catholicism by acting as unofficial authors, inadvertent pilgrims, unlicensed architects, unacknowledged artists and unsolicited cataloguers of Loreto. Their participation in portaging Mary's house challenges traditional views of Christianity as a prepackaged European export and instead suggests that Christianity is the cumulative product of thousands of self-appointed editors. Vlez also demonstrates how miracle narratives can be treated seriously as historical sources that preserve traces of real events. Drawing on rich archival materials, *The Miraculous Flying House of Loreto* illustrates how global Catholicism proliferated through independent initiatives of untrained laymen.

Loreto and the Holy House G. Phillips, Brother Hermenegild, 2014-11-20. In reply to a petition made to him by the Bishops of the Province of Piceno in which Loreto stands, our Holy Father Pope Benedict XV has issued a Decree dated April 12, 1916 ordering the Feast of the Translation of the Holy House to be henceforth observed each year on the 10th of December in all the Dioceses and Religious Congregations of Italy and the adjacent isles. Moreover by the same Decree he grants permission for the extending of the festival to all other Dioceses and Religious Congregations on its being applied for by the Ordinaries. The Pontiff expressly grounds the granting of this favour on the acknowledged pre-eminence of the Loreto Sanctuary, it being as the preamble states the House itself translated from Palestine by the ministry of Angels in which was born the Blessed Virgin Mary and in which the Word was made flesh. In view of this decisive pronouncement of the reigning Pontiff as to the peculiar sanctity of the Loreto Shrine, it is hoped that the following account of that peculiarly sacred shrine and of its wondrous history, on which the writer has been engaged for several years, will be welcomed by many and especially by those to whom the attacks of critics on the Holy House have given pain. The groundlessness of those attacks and the solidity of the foundation on which the Loreto tradition rests are here he trusts made plain. It was a special encouragement to him in his pursuance of the work to receive through his Superior the blessing on it of the late saintly Pope Pius X a few weeks before his death. In obedience to the Decrees of Pope Urban VIII he unreservedly submits what he has written to the judgment of the Holy See, especially with reference to the mentioning of any occurrence as miraculous.

me that my misgivings were without foundation and led to the writing of the critical review of Canon Chevalier's work that is published in these pages

The Architecture of the Christian Holy Land Kathryn Blair Moore, 2017-02-27 In the absence of the bodies of Christ and Mary architecture took on a special representational role during the Christian Middle Ages marking out sites associated with the bodily presence of the dominant figures of the religion Throughout this period buildings were reinterpreted in relation to the mediating role of textual and pictorial representations that shaped the pilgrimage experience across expansive geographies In this study Kathryn Blair Moore challenges fundamental ideas within architectural history regarding the origins and significance of European recreations of buildings in Jerusalem Bethlehem and Nazareth From these conceptual foundations she traces and reinterprets the significance of the architecture of the Holy Land within changing religious and political contexts from the First Crusade and the emergence of the Franciscan Custody of the Holy Land to the anti Islamic crusade movements of the Renaissance as well as the Reformation
