Los Angeles And Hollywood:

Hollywood and the Best of Los Angeles Alive Robert White, Phyllis White, 2002 Los Angeles and its suburbs have been attracting stars since film was invented and hundreds have now opted to make their home there. The authors of this guide to the area wrote for film and TV in the Hollywood studios and know the industry intimately. They both grew up in Hollywood and lived there most of their lives. Join them on this tour of the neighbourhoods of the rich and famous and of the ritzy shopping avenues. Sightseeing is also covered with information about trips to the nearby beach towns west LA, the foothills and Palm Springs.

Hollywood Cinema and the Real Los Angeles Mark Shiel, 2013-02-15 Hollywood cinema and Los Angeles cannot be understood apart. Hollywood Cinema and the Real Los Angeles traces the interaction of the real city, its movie business and filmed image, focusing on the crucial period from the construction of the first studios in the 1910s to the decline of the studio system fifty years later. As Los Angeles gradually became one of the ten largest cities in the world, the film industry made key contributions to its rapid growth and frequent crises in economic, social, political and cultural life. Whether filmmakers engaged with the real city on location or recreated it on a studio set, Los Angeles shaped the films that were made there and circulated influentially worldwide. The book pays particular attention to early cinema, slapstick comedy, movies about the movies and film noir, which are each explored in new ways with an emphasis on urban and architectural space and its representation as well as filmmaking style and technique. Including many previously unpublished photographs and new historical evidence, *Hollywood Cinema and the Real Los Angeles* gives us a never before seen view of the City of Angels.

Historic Hotels of Los Angeles and Hollywood Ruth Wallach, Linda Betsinger McCann, Dace Taube, 2008-10 This volume presents a pictorial history of Los Angeles hotels downtown in Hollywood and along the Wilshire Boulevard corridor from the late 19th through the mid 20th centuries. By the early 1900s many hotels, including luxury ones, had been established in downtown Los Angeles to cater to business travelers and tourists. In the late 19th century, after the arrival of the Southern Pacific Railroad, hotels were built to encourage tourism and sell real estate in the agricultural Hollywood area. And with the growth of the motion picture studios in the early decades of the 20th century, grander hotels were erected to accommodate the new industry. As the city expanded westward, luxury and residential hotels were also placed in the Westlake District and along the fashionable Wilshire Boulevard corridor connecting to Beverly Hills.
