Hugo, 2018-11-15 A masterpiece by Victor Hugo this is the story of Jean Valjean a thief pursued for years by an overzealous police officer for once stealing a loaf of bread to feed his family then escaping from prison Even though he changes his life and becomes a good and honest man Javert his pursuer will never relent It is the story of a little girl Cosette who Valjean adopts when her mother a worker at his factory dies and ultimately a tale of the French Revolution at its beginnings and the lives of those affected The illustrations by Mead Schaeffer make this one of the truly great editions of this book From the Preface by Victor Hugo still largely valid today So long as there shall exist by virtue of law and custom decrees of damnation pronounced by society artificially creating hells amid the civilization of earth and adding the element of human fate to divine destiny so long as the three great problems of the century the degradation of man through pauperism the corruption of woman through hunger the crippling of children through lack of light are unsolved so long as social asphyxia is possible in any part of the world in other words and with a still wider significance so long as ignorance and poverty exist on earth books of the nature of Les Misérables cannot fail to be of use Les Misérables - Volume 3 Victor Victor Hugo, 2017-12-17 Why buy
