Distant Voices John Pilger, 2010-09-02 Throughout his distinguished career as a journalist and film maker John Pilger has looked behind the official versions of events to report the real stories of our time The centrepiece of this new expanded edition of his bestselling Distant Voices is Pilger's reporting from East Timor which he entered secretly in 1993 and where a third of the population has died as a result of Indonesia's genocidal policies This edition also contains more new material as well as all the original essays from the myth making of the Gulf War to the surreal pleasures of Disneyland Breaking through the consensual silence Pilger pays tribute to those dissenting voices we are seldom permitted to hear

Script Swap Gregory Ashe, 2025-10-06 They say the show must go on Thank goodness for intermission Dashiell Dawson Dane isn't thrilled that a new play at the community theater is based however loosely on his life But when Dash's friend Fox asks him to attend opening night things take a strange turn the actor playing Dash's role seems to have been given a different script Even stranger the new lines trigger a bizarre response from the rest of the cast and crew right before the lights go out and the box office is robbed At Fox's request Dash agrees to investigate but he's surprised to discover that everyone at the theater seems more preoccupied with the altered and now missing script than with the robbery And when one of the actors is murdered in what appears to be a burglary gone wrong Dash is sure there's something much darker afoot But someone is determined to keep the truth from coming out and Dash will have to navigate aging starlets a disgruntled custodian and a reclusive stage manager among others to catch the killer before they can strike again

Larry Brown Jean W. Cash, 2011-07-20 Winner of the 2011 Eudora Welty Prize Larry Brown 1951-2004 was unique among writers who started their careers in the late twentieth century Unlike most of them his friends Clyde Edgerton Jill McCorkle Rick Bass and Kaye Gibbons among others he was neither a product of a writing program nor did he teach at one In fact he did not even attend college His innate talent his immersion in the life of north Mississippi and his determination led him to national success Drawing on excerpts from numerous letters and material from interviews with family members and friends Larry Brown A Writer's Life is the first biography of a landmark southern writer Jean W Cash explores the cultural milieu of Oxford Mississippi and the writers who influenced Brown including William Faulkner Flannery O'Connor Harry Crews and Cormac McCarthy She covers Brown's history in Mississippi the troubled family in which he grew up and his boyhood in Tula and Yocona Mississippi and in Memphis Tennessee She relates stories from Brown's time in the Marines his early married life which included sixteen years as an Oxford fireman and what

he called his apprenticeship period the eight years during which he was teaching himself to write publishable fiction The book examines Brown s years as a writer the stories and novels he wrote his struggles to acclimate himself to the fame his writing brought him and his many trips outside Yocona where he spent the last thirty years of his life The book concludes with a discussion of his posthumous fame including the publication of A Miracle of Catfish the novel he had nearly completed just before his death Brown s cadre of fans will relish this comprehensive portrait of the man and his work God Goes To Rehab! Evan Keliher,2014-04-20 If you like high quality writing and like to laugh while reading this is the book for you It will even change your life when you have more insight into the whole matter of your relationship with God and how it all works

D.C. Shootout on K Street Evan Keliher,2012-06 D C Shootout On K Street is a political satire loaded with lots of sophisticated humor and even wit It s hoped that you ll be both entertained and informed at the same time Imagine that the gods were distracted one day and they accidentally made you the president of the United States You wake up in the Oval Office and people are amazed Everybody demands that you resign at once and let an experienced politician be president because you don t know how to run the country What would you do Could you stand up to the evil bastards and tell them to go to hell They d work overtime to get your ass out of the White House You d be called a racist an idiot a crook a sex fiend a liar They d slander your family try to impeach your ass swear you were born in Kenya hire assassins to shoot you enlist those Swift Boat assholes to lie about your military record claim your college transcripts were forged and kidnap your kid as hostages Or are there some laws you d like to see passed Maybe better Social Security benefits lower interest on student loans Medicare for all more taxes on the rich and fewer on the poor no more wars close tax loopholes rein in Wall Street free Jose Padilla raise duties on China restore our infrastructure open more factories etc If you like the nook please tell others maybe we can round up enough people for a minor rebellion and make some real changes that actually help average American s instead of the 1%ers *Real Choices/new Voices* Douglas J. Amy,2002 There is a growing realization that many of the problems afflicting American elections can be traced to the electoral system itself in particular to our winner take all approach to electing officials Douglas Amy demonstrates that switching to proportional representation elections the voting system used in most other Western democracies by which officials are elected in large multimember districts according to the proportion of the vote won by their parties would enliven democratic political debate increase voter choice and voter turnout ensure fair representation for third parties and minorities eliminate wasted votes and spoilers and ultimately produce policies that better reflect the public will Looking beyond new voting machines and other quick fixes for our electoral predicament this new edition of Real Choices New Voices offers a timely and imaginative way out of the frustrations of our current system of choosing leaders *Libertarians, Socialists, and Other Third Parties* ,2021-07-15 Since its inception the United States has been characterized by a two party political system It is in many ways indoctrinated in laws and customs but it does not prevent third parties from participating in the political process Although no third party candidate has ever

won a presidential election these candidates have occasionally been elected to local and state positions Additionally with issues like environmentalism immigration and income inequality receiving more attention politicians from these parties have also gained greater recognition This volume examines the role of third parties in American politics and the extent to which they can exercise influence

The Two-Party System in the United States Barbara Krasner,2018-12-15 To many bipartisanship is a fundamental aspect of American democracy it is designed to allow voters of differing political beliefs to find a political party that most closely conforms to their values However in a 2015 poll 43 percent of Americans identified with neither party preferring to be politically independent Is the two party system essential to American politics What part does it play in our electoral and political systems Growing concerns about political polarization and bipartisanship s role in it have also come to light This volume explores the various perspectives about the future of American democracy

State and Capitalist Development in India Surinder Kumar,C S. Verma,Prashant K. Trivedi,2023-12-01 This book seeks to encourage dialectical methods through the interaction of economic political and social factors to approach social analysis It examines various emerging issues in society in the era of globalization The issues raised in the critique will benefit scholars in comprehending social reality with a new perspective and approach This book will help policymakers look at more realistic conclusions for policy making This title is co published with Aakar Books Print editions not for sale in South Asia India Sri Lanka Nepal Bangladesh Pakistan and Bhutan

King William's Tontine Moshe A. Milevsky,2015-04-13 In a time before bonds treasury notes or central banks there were tontines These were schemes in which a group of investors lent money to a government corporation or king similar to a modern day loan syndicate But unlike conventional debt periodic interest payments were distributed only to survivors As tontine nominees died the income of survivors correspondingly increased Morbid perhaps but this was one of the earliest forms of longevity insurance in which the pool shared the risk Moshe A Milevsky tells the story of the first tontine issued by the English government in 1693 known as King William s tontine intended to finance the war against French King Louis XIV He explains how tontines work the financial and economic thinking behind them as well as why they fell into disrepute Milevsky concludes with a provocative argument that suitably modified tontines should be resurrected for twenty first century retirement income planning
