Mui, Julien S. Murphy, 2002 Contemporary feminist theory and place and an idea postmodernism have left significant marks on how we think about practical matters most notably the old and new forms of gender struggles that many women confront in their daily lives The essays collected in Gender Struggles are designed to highlight those influences by addressing the following questions What is practical feminism in a postmodern world How does rethinking the nature and boundaries of philosophy affect the way we understand practical issues that we confront daily What new forms of freedom autonomy subjectivity social welfare motherhood public and private space and political resistance have emerged from this new philosophical sense Together the sixteen essays in this volume represent many

different voices of feminists who boldly take up familiar everyday concerns from unorthodox vantage points within new conceptual and theoretical frameworks The essays in Gender Struggles address a wide range of issues in gender struggles from the more familiar ones that for the last thirty years have been the mainstay of feminist scholarship such as motherhood beauty and sexual violence to new topics inspired by post industrialization and multiculturalism such as the welfare state cyberspace hate speech and gueer politics and finally to topics that traditionally have not been seen as appropriate subjects for philosophizing such as adoption care work and the home Incorporating the latest most cutting edge material on feminism this volume aims at reaching a broad spectrum of readers by connecting postmodern feminist theory with concrete issues that are practical and relevant to their daily lives and experiences **Losing Isaiah** Seth Margolis, 2015-06-14 A NATIONAL BESTSELLER AND FEATURE FILM STARRING HALLE BERRY AND JESSICA LANGE Riveting impossible to turn away from THE BOSTON GLOBE Losing Isaiah pushes all the current cultural buttons Margolis gets inside the head of every character THE WASHINGTON POST E ngrossing and to its credit offers no pat answers to complicated issues PUBLISHER S WEEKLY Three year old Isaiah has two mothers and they both want him Margaret Lewin adopted Isaiah as a newborn and she and her husband Charles give the boy all the love a child could want and everything that money can buy But can even the most loving caring white family be responsible for raising a black child Selma Richards is the boy s birth mother When Isaiah was born she was illiterate unemployed and a crack addict Giving up her son was the best thing for both of them at the time Now Selma has weaned herself off drugs has a responsible job caring for another couple's child and is learning to read She's not rich and she doesn t live in the best neighborhood but she s healed herself LOSING ISAIAH raises one of the most complex and emotional moral questions of our times and keeps you rooting for both women until the inevitable and heartrending conclusion in which one mother ends up losing her son **Jet** ,1995-03-27 The weekly source of African American political and entertainment news Vanishing Act Seth Margolis, 2015-06-16 A man wants to fake his own death and then things get real in this PI mystery from the national bestselling author of False Faces When retail tycoon George Samson appears in Det Joe DiGregorio s Manhattan office asking for help in faking his own death the wary private eye a former Long Island cop knows enough to refuse But Samson's proposition isn't easy to forget So when Samson is found murdered soon afterward the struggling PI is convinced that his would be client found another killer There s only one problem the death is genuine Something went wrong somewhere but what DiGregorio offers his investigative talents to the new CEO of Samson Stores who accepts Since leaving the force he s been struggling to make it as a private investigator and this case could be the making of his new career or the end of him Birthmarks Sandra Patton-Imani, 2000-11-01 An empathetic study of the meanings of cross racial adoption to adoptees Law and Politics Book Review Can White parents teach their Black children African American culture and history Can they impart to them the survival skills necessary to survive in the racially stratified United States Concerns over racial identity have been at the center of controversies over transracial adoption since the
