Lost In The Suburbs A Political Travelogue:

Lost in the Suburbs Stephen Dale, 1999 Several important social consequences flowed from the aftermath of the suburban construction boom of the 1980s the homogeneous nature of the new suburbs full of affluent white people the antithesis of urban cosmopolitanism and the cost of building roads and servicing land as we push farther into the rural frontier This schism between the suburbs and the urban core began in California where Republicans perpetually win state elections on the strength of the suburban vote despite well entrenched liberal strongholds in Los Angeles and San Francisco The burghers of suburbia are stuck on the idea of government spending as a burden on honest people and on the image of urban dwellers as welfare cheats overpaid bureaucrats and members of a condescending cultural elite And they're looking for revenge

The Politics of the Right Leo Panitch, Greg Albo, 2015-12-22 Today the Left faces new challenges from political forces amassing on the radical right The 52nd volume of the Socialist Register presents a serious calibration and a careful political mapping of these forces It addresses pivotal questions on the reordering of the new right These essays very broad in terms of themes and places speak to the global challenges the new right poses for the left at this historical moment What is the nature of the right's populism nationalism and militarism What is the social base and organizational strength and range of far right political forces To what extent are they influencing mainstream parties and opinion How have they penetrated state institutions What role do state security services and police forces play Does our political situation today require comparison with 1930s Fascism How should the left respond to defend democratic and human rights

Cycling into Saigon David R. Cameron, Graham White, 2011-11-01 The essence of democracy is the peaceful and legitimate transfer of government In 1995 in Ontario the omens for a successful transition weren't promising Almost no one had expected Mike Harris's Common Sense Revolution to catapult his Progressive Conservatives from third party obscurity to victory in the June election The Harris manifesto declared its intention to dismantle almost every policy of the defeated NDP administration of Bob Rae Weeks of confrontation and confusion seemed inevitable Yet as Cameron and White compellingly describe the transition was a surprising success involving necessary co-operation between political mortal enemies Cycling into Saigon has important lessons for everyone involved or interested in this key stage of the electoral process wherever it takes place

Changing Toronto Julie-Anne Boudreau, Roger Keil, Douglas Young, 2009-01-01 With an eye for global forces this panoramic account revolves around a focus on social spatial and environmental justice in the city offering a lively riposte to both dull academicism and theatrical boosterism Kanishka Goonewardena University of Toronto

Alien Invasion Ruth Cohen, 2009 Alien Invasion is the first critical look at the past eight years of Tory rule in Ontario How did a province renowned for being middle of the road suddenly embrace the forces of far right conservatism How have the cuts to health care the spectre of private universities regular public sector strikes and the tragedy in Walkerton all come to pass Here 20 essays expose strategies the Harris government has previously hidden from view Using criticism commentary and transcripts

of government seminars *Alien Invasion* reveals the techniques that a group of whiz kids working for the Harris government have used to turn Ontario into a laboratory to test the theories of economists who seek greater powers for corporations by equating capitalism with freedom In the course of restructuring Ontario in this new way they have even succeeded in manipulating Ontarians to act against their own interests **The Duke of Kent** Darcy McKeough, Rod McQueen, 2016-05-01 A refreshingly honest memoir about politics and private life Few Canadians have served their nation as well and as widely as the Honourable Darcy McKeough He was elected Member of Provincial Parliament for Chatham Kent Ontario five times between 1963 and 1977 In 1967 he was mockingly dubbed the Duke of Kent by an opposition MPP a title he has worn as a badge of honour ever since As Treasurer of Ontario Minister of Municipal Affairs and Minister of Energy during his time in office McKeough fought to achieve budget surpluses long before it was fashionable created regional governments that brought more efficient services to citizens and attempted to tame Ontario Hydro In *The Duke of Kent* McKeough takes readers behind the scenes and into the Cabinet rooms of government putting on full display the thrust and parry of legislative sittings where he almost always gave better than he got He brings to life the political and constitutional issues of the day as led litigated and legislated by an array of provincial and federal politicians including Charles MacNaughton John Robarts William Davis John Diefenbaker Robert Stanfield Lester B Pearson Pierre Trudeau Joe Clark Brian Mulroney Jean Chrétien Jacques Parizeau and Peter Lougheed **What's in a Name?** Richard Harris, Charlotte Vorms, 2017-01-01 In *What's in a Name* editors Richard Harris and Charlotte Vorms have gathered together experts from around the world in order to provide a truly global framework for the study of the urban periphery **Changing Canada** Wallace Clement, Leah F. society binary play in facilitating the conceptual and material construction of resources Alice Cohen and Andrew Biro present an alternative to this false nature society binary one that sees Canadians and their environments in a constant process of making and remaking each other Through a series of case studies focused on specific resources fish forests carbon water land and life the book explores six channels through which this remaking occurs governments communities built environments culture and ideas economies and bodies and identities Ultimately Organizing Nature encourages readers to think critically about what is at stake when Canadians re produce myths about the false separation between Canadian peoples and their environments Civic Discourse and Cultural Politics in Canada Sherry Devereaux Ferguson, Leslie Regan Shade, 2002-08-30 Representative case studies reflect the Canadian experience in terms of discourse society and public culture linking its discussions to larger political and social issues and theories **Feminist Perspectives on Canadian Foreign Policy** Claire Turenne Sjolander, Deborah Stienstra, Heather Ann Smith, 2003 This book examines all the fundamental aspects of Canadian foreign policy from a feminist point of view The contributions seek to deconstruct the gendered nature of discourse on and about Canadian foreign policy The goal of the collection is first to deconstruct the dominant concepts of the discourse surrounding Canadian foreign policy as articulated by key government officials and agencies The second goal is to consider the practices of foreign policies that is to ask how the discourse becomes creates ignores silences and limits particular policy practices and ways of thinking and doing *Un Siècle de Propagande ?* Robert Bernier, 2001 L auteur analyse et d crit les appareils de communication gouvernementaux des provinces canadiennes et value leur performance et leur efficacit sur le terrain en accordant une attention particuli re au gouvernement f d ral et celui du Qu bec et en les comparant ceux du Royaume Uni et de la France The Canadian Forum , 2000 **The New Right and Democracy in Canada** David H.
