Lost Steersman:

The Lost Steersman Rosemary Kirstein, 2003 At last here is the eagerly anticipated new novel by Rosemary Kirstein critically acclaimed author of *The Steerswoman* and *The Outskirter's Secret* This though provoking story calls to mind the writing of Ursula K LeGuin and Sheri Tepper How do you find a person you have never seen or have never heard described And what if the consequences of not finding him are too terrible to imagine The steerswoman Rowan has learned that Slado a mysterious wizard has secretly been working spells of incredible power Both the Inner Lands and the Outskirts are now threatened by his magic and before the destruction becomes too great to reverse Rowan must find Slado so that he can be stopped But how does one stop the most powerful man in the world In the seaside town of Alemeth the Annex holds centuries of steerswomen's journals They may contain clues to Slado's location but combing through them would take more time than Rowan has to spend Then she encounters a lost friend Janus one of the few rare Steersmen But Janus quit the order without explanation Now the bright beloved companion of Rowan's student days has become a man dominated by dark moods and even darker secrets When sleepy Alemeth transforms into a place of chaos terror and sudden death Rowan wonders if all the secrets are connected The shocking answer will change the steerswoman and her world forever *Lost Steersman*

Rosemary Kirstein, 2003-08 **Classical Myths and Legends in the Middle Ages and Renaissance** H. David Brumble, 1998-02 While numerous classical dictionaries identify the figures and tales of Greek and Roman mythology this reference book explains the allegorical significance attached to the myths by Medieval and Renaissance authors Included are several hundred alphabetically arranged entries for the gods goddesses heroes heroines and places of classical myth and legend Each entry includes a brief account of the myth with reference to the Greek and Latin sources The entry then discusses how Medieval and Renaissance commentators interpreted the myth and how poets dramatists and artists employed the allegory in their art Each entry includes a bibliography and the volume concludes with appendices and an extensive bibliography of primary and secondary sources *Morality and Expediency* F.G. Bailey, 2017-07-12 This book is about micro politics that kind of manoeuvre to control or avoid being controlled to claim friendship or proclaim enmity which takes place between people who know one another and who must temper and adjust their actions towards one another because they share other activities They are members of the one community and of the same organization and this not only moderates their actions but also provides them with themes for use in the political arena These justificatory themes and the irresolvable contradictions between them and what is to be done when decisions cannot be made through rational procedures is one subject of the book The setting is the university world of committees and dons and administrators but the inquiry is into general questions about organizational life How are value contradictions resolved Why are some matters discussed openly and others only before restricted audiences Could we dispense with confidentiality and secrecy What masks are used to make a person or a point of view persuasive It is impossible and therefore wholly unwise to try to attempt to run such organizations

in a wholly open and wholly rational fashion without an appropriate measure of pretence and secrecy even of hypocrisy they cannot be made to work At a basic level organizations require secrecy and confidentiality to run effectively Loyal to the Land Billy Bergin,2003-05-14 Loyal to the Land is a sweeping history of one of the United States largest working ranches the Big Island of Hawaii s Parker Ranch Dr Bergin chronicles the ranch from its establishment on two acres purchased for ten dollars by John Palmer Parker to the years following World War II and the beginning of a new era of family ranch management under Parker s grandson Richard Smart In this wide ranging and insightful book illustrated with more than 250 historical photos Dr Bergin first discusses the important Hispanic vaquero roots of ranching in Hawaii He then relates the histories of the five foundation families providing rich and detailed information on key members who contributed to the Ranch s success The balance of the book examines every aspect of Parker Ranch development management labor improvements and diversification of livestock veterinary and animal care programs and the Ranch s role and influence on the Big Island and the state The Year's Best Science Fiction: Twenty-First Annual Collection Gardner Dozois,2007-04-01 The stories in this collection imaginatively take readers far across the universe into the very core of their beings to the realm of the Gods and to the moment just after now Included are the works of masters of the form and the bright new talents of tomorrow This book is a valuable resource in addition to serving as the single best place in the universe to find stories that stir the imagination and the heart **Automobile Dealer and Repairer** ,1914 **The Mammoth Book of Best New SF 17** Gardner Dozois,2011-08-04 Widely regarded as the essential book for every science fiction fan The Mammoth Book of Best New SF 17 continues to uphold its standard of excellence with more than two dozen stories from the previous year This year s volume includes not just a host of established masters but also many bright young talents of science fiction It embraces every aspect of the genre soft hard cyberpunk cyber noir anthropological military and adventure Plus the usual thorough summations of the year and a recommended reading list *Oversight Hearings on Health and Safety of Youth Camps* United States.
