Lost Testament:

In Search Of The Lost Testament of Alexander the Great David Grant, 2017-01-28 A unique backstory of Alexander and his successors the biased historians deceits wars generals and the tale of the literature that preserved them Babylon mid June 323 BCE the gateway of the gods prostrated in the Summer Palace of Nebuchadrezzar II on the east bank of the Euphrates wracked by fever and having barely survived another night King Alexander III the rule of Macedonia for 12 years and 7 months had his senior officers congregate at his bedside Abandoned by Fortune and the healing god Asclepius he finally acknowledged he was dying Some 2 340 years on five barely intact accounts survive to tell a hardly coherent story At times in close accord though more often contradictory they conclude with a melee of death scene rehashes all of them suspicious the first portrayed Alexander dying silent and intestate he was Homeric and vocal in the second the third detailed his Last Will and Testament though it is attached to the stuff of romance Which account do we trust *In Search Of The Lost Testament Of Alexander The Great* is the result of a decade of contemplations on Alexander presented as a rich thematic narrative Grant describes as the backstory behind the history of the great Macedonian and his generals Taking an uncompromising investigative perspective Grant delves into the challenges faced by Alexander s unique tale the forgeries and biased historians the influences of rhetoric romance philosophy and religion on what was written and how Alexander s own mercurial personality is vividly dissected and the careers and the wars of his successors are presented with a unique eye But the book never loses sight of central aim to unravel the mystery behind Alexander s unconvincingly reported intestate death And out of Grant s research emerges one unavoidable verdict after 2 340 years the Last Will and Testament of Alexander III of Macedonia needs to be extracted from romance and reinstated to its rightful place in mainstream history Babylon in June 323 BCE Although the result a decade of academic research *In Search Of The Lost Testament Of Alexander The Great* is written in an entertaining and engaging style that opens the subject to both scholars and the casual reader of history looking to learn more about the Macedonian king and the men who made his story It concludes with a wholly new interpretation of the death of Alexander the Great and the mechanism behind the wars of succession that followed

The Lost Apocrypha of the Old Testament Montague Rhodes James, 1920 [Lost Christianities](#) Bart D. Ehrman, 2005-09-15

In Lost Christianities Bart D Ehrman offers a fascinating look at early forms of Christianity and shows how many came to be suppressed reformed or forgotten All of these groups insisted that they upheld the teachings of Jesus and his apostles and they all possessed writings that bore out their claims books reputedly produced by Jesus s own followers Modern archaeological work has recovered a number of key texts and as Ehrman shows these spectacular discoveries reveal religious diversity that says much about the ways in which history gets written by the winners Scrupulously researched and lucidly written *Lost Christianities* is an eye opening account of politics power and the clash of ideas among Christians in the decades before one group came to see its views prevail

The Lost Revelation Ira Messenger, 2007-12 Providing us with the only

known revelation of the Gospel according to substitution a new and exciting interpretation of biblical truth Ira Messenger is probably the most controversial theologian of our day Author of the books *The Wrong Turn* *The Fourth Dimension* and *The Indictment* Messenger is also a radio and television talk show host *The Lost Revelation* offers answers to questions that his listening audience has submitted What makes Messenger so controversial is his attack on the mantra of present day Christianity Messenger brings a different perspective to biblical interpretation one in which God takes the initiative in His relationship with humankind rather than simply observing and judging its actions Do yourself a favor and add the revelation of the Gospel of Substitution to your religious perspective You may find yourself questioning much of what you believed to be true about Christianity [Lost Scriptures](#) Bart D. Ehrman,2005-09-15 *Lost Scriptures* offers an anthology of up to date and readable translations of many non canonical writings from the centuries after Christ texts that have for the most part been neglected or lost for nearly two millennia Here is an array of remarkably varied writings from early Christian groups whose visions of Jesus differ dramatically from our contemporary understanding Ehrman has included a general introduction plus brief introductions to each piece *Lost Scriptures* gives readers a vivid picture of the range of beliefs that battled each other in the first centuries of the Christian era It is an essential resource for anyone interested in the Bible or the early Church

[The Lost Sermons of C. H. Spurgeon Volume I](#) Charles Haddon Spurgeon,2017-02-20 *The Lost Sermons of C H Spurgeon* is the first critical edition of any of Spurgeon s works shedding light on Spurgeon s early sermons which have never been published *The Lost Religion of Jesus* Keith Akers,2000-11-01 Jesus preaching was first and foremost about simple living pacifism and vegetarianism he never intended to create a new religion separate from Judaism Moreover Jesus radical Jewish ethics rather than a new theology distinguished him and his followers from other Jews It was the earliest followers of Jesus the Jewish Christians who understood Jesus better than any of the gentile Christian groups which are the spiritual ancestors of modern Protestant Catholic and Orthodox churches In this detailed and accessible study Keith Akers uncovers the history of Jewish Christianity from its origins in the Essenes and John the Baptist through Jesus until its disappearance into Islamic mysticism sometime in the seventh or eighth century Akers argues that only by really understanding this mysterious and much misunderstood strand of early Christianity can we get to the heart of the radical message of Jesus of Nazareth **The Lost World of Scripture** John H. Walton,Brent Sandy,2013-11-01 Walton and Sandy summarize what we know of orality and oral tradition as well as the composition and transmission of texts in the ancient Near East and the Greco Roman world and how this shapes our understanding of the Old and New Testaments The authors then translate these insights into a helpful model for understanding the reliability of Scripture **Love Lost in Translation** K. Renato Lings,2013-06-06 *Love Lost in Translation* systematically examines the biblical stories and passages that are generally assumed to deal with or comment on homoerotic relationships Noah and Ham Sodom and Gomorrah Leviticus 18 22 Deuteronomy 23 17-18 Judges 19 Romans 1 26-27 and 1 Corinthians 6 9 K Renato Lings convincingly demonstrates that mistranslations of these texts into Greek Latin

and other languages occurred early and that serious errors continue to be committed by translators today This explains the painful controversy about same sex relationships which has rocked Christian churches for decades Love Lost in Translation proposes a fresh approach to translating the Bible by means of linguistic and literary criteria As demonstrated throughout this ground breaking book the method enables readers to become acquainted with the literary sophistication psychological insights and spiritual depth of the Bible Combining meticulous scholarship with an accessible style Love Lost in Translation provides a much needed infusion of essential learning into a subject that affects millions of Bible readers today

Readers of the Lost Ark Kevin M. McGeough, 2025-04-08 The sacred chest said to have been built by the Israelites to house the stone tablets on which the Ten Commandments were written the Ark of the Covenant has long captured the popular imagination According to the Bible the Israelites carried it with them as they wandered in the wilderness and entered the promised land After the Temple of Solomon was built the Ark was kept in an inner sanctum where God made his divine presence felt to the Israelites The Hebrew Bible is unclear about what happened to the Ark after the destruction of the temple and offers vague accounts of its function Despite or because of this ambiguity the Ark continues to hold an important place in Jewish and Christian tradition even in its absence and has led to much popular speculation Widely imagined and re imagined it is perhaps today best known in popular culture as the object sought by Indiana Jones in the 1981 film Raiders of the Lost Ark In Readers of the Lost Ark Kevin McGeough explores the different ways people have interpreted and made sense of the Ark from ancient times to the present in biblical literature theological discourse art popular film travel souvenirs toys faith

The Lost Men David A. Colón,2012-03-30 In a world where the human population has been decimated self reliance is the order of the day Of necessity the few remaining people must adapt residual technology as far as possible with knowledge gleaned from books that were rescued and have been treasured for generations After a childhood of such training each person is abandoned by their parents when they reach adulthood to

pursue an essentially solitary existence For most the only human contact is their counsel a mentor who guides them to find the one their life mate as decreed by Fate Lack of society brings with it a lack of taboo ensuring that the Fate envisioned by a counsel is enacted unquestioningly The only threats to this stable if sparse existence are the lost men mindless murderers who are also self sufficient but with no regard for the well being of others living outside the confines of counsel and Fate Is Fate a real force or is it totally imagined an arbitrary convention a product of mankind s self destructive tendency Is it our responsibility to rebuke inherited wisdom for the sake of envisioning and manifesting our own will Beginning with solitude ending with ironic hope every moment is challenged by the present An extraordinary challenge to our present Col n s d but offers a dark disturbing allegory one that recalls for contemporary fantasy the best traits of literary tradition Neil Easterbrook SFRA 2009 Pioneer Award winner An entirely original weird and wonderful world that always keeps us guessing In this impressive debut Col n confronts us with the most difficult questions that can be asked about fate free will and the foundations of justice Lee Konstantinou author of Pop Apocalypse a Possible Satire *The Lost Treasure of the Templars* James Becker,2015-07-07 The New York Times bestselling author of The Templar Brotherhood presents the first novel in a thrilling series about the powerful secrets of the Knights Templar and a conspiracy too shocking to believe In a quiet English seaside town antiquarian bookseller Robin Jessop has acquired an odd medieval volume What appears to be a book isn t a book at all but a cleverly disguised safe in which she finds a single rolled parchment written in code For encryption expert David Mallory the text is impenetrable Until an invaluable clue opens the door to a mystery and a conspiracy stretching back seven centuries when the most powerful man in Europe declared war on the most powerful clan the Knights Templar Now Jessop and Mallory find themselves on a global hunt for an unsurpassed treasure and this much closer to the keys to secrets that could change history topple an empire and bury them both alive Because they re not only the hunters They re also the hunted **The Gospels: "Lost" and Found** Timothy Paul Jones,2021-08-03 Were other gospels included in the New Testament then later rejected How do we know the gospels are reliable Gospels Lost and Found gives solid reasons to trust the New Testament writings and provides answers to Bart Ehrman s book Misquoting Jesus Author Timothy Paul Jones Ph D shows where the critics are incorrect and provides us with logical well reasoned arguments for believing that Jesus lived died and rose again according to the Scriptures This pamphlet is packed with Easy to understand summariesFull color illustrationsA timeline showing New Testament and Gnostic DocumentsComparison charts with key information at a glanceAnd more Answers Top Common Questions About the Validity of the Bible and New Testament Now is the time to discuss textual criticism because critics are bringing this to the public debate and claiming that the Bible cannot be trusted It is important to help Christians become better informed ready to defend the faith This pamphlet answers the following common questions and more Who really wrote the Gospels Was it really Matthew Mark Luke and John Or were the gospels written by people who were utterly unconnected with eyewitnesses as some books and TV shows claim Were the gospels

written so long after Jesus death and resurrection that they cannot be relied upon Were there gospels that were included in the New Testament and later removed Why were these four books chosen and not others Dr Jones interest in this topic began many years ago when he came across arguments against the Bible At first his faith was badly shaken and he wondered if he still believed in the Bible But as he researched more he found answers In just fourteen concise pages Dr Jones shows the errors in critics logic and facts and does it in an easy to understand style **Lost Orthodoxy (Paternal Light - Heart of the Gospel through the Eyes of the Kings of Christian Theology St. Justin Martyr and St. Irenaeus of Lyons)**

Jonathan Ramachandran,2018-11-24 The Lost Orthodoxy Book attempts to Research the Hope of Christ Centered Universalism by comparing Bible Verses to the Exegesis done by St Justin Martyr and St Irenaeus of Lyons It asserts arguments in support of the concept of ages or aeons or olams to come in St Irenaeus usage of these related Biblical Words together with St Justin Martyr s harsh language regarding the punishment of the Wicked which has also been interpreted to refer to some annihilation concept Hence the usage by these saints either implying ages or end by destruction by their language describing the punishment of the wicked may thus imply an end in reference to the original words found likewise in Holy Scripture too The sin in the Body and Soul may thus be referred to as eternally destroyed where the damaged soul and spirit may be saved thereafter In support of such an exegesis some First Christianity Writings from other early Church leaders and Christian Prophecies such as the Apocalypse of Peter and the Sibylline Oracles are considered where these have a Section Describing God Saving the Wicked post Judgment after a long time as per the prayers of the Saved Christian Righteous for these to be Rescued Finally from the Lake of Fire or Gehenna itself thereby cancelling the Eternal Sentence by His Great Mercy which Triumphs over Judgment and giving these a lower place in another Eternal Life thereafter
