Shrines and Pilgrimage in the Modern World Peter Jan Margry, 2008 The modern pilgrimage to sites ranging from Graceland to the veterans annual ride to to the Vietnam Veterans Memorial to Jim Morrison s Paris grave is intertwined with man s existential uncertainties in the face of a rapidly changing world In a climate that reproduces the religious quest in seemingly secular places it s no longer clear exactly what the term pilgrimage infers and *Shrines and Pilgrimage in the Modern World* critiques our notions of the secular and the sacred while commenting on the modern media s multiplication of images that renders the modern pilgrimage a quest without an object Using new ethnographical and theoretical approaches this volume offers a surprising new vision on the non secularity of the secular pilgrimage This book will be sure to stoke our intellectual fire and heat up the discussion over the highly charged topic of secular pilgrimage Simon Bronner Penn State University

Can't Find My Way Home Martin Torgoff, 2004-05-13 *Can't Find My Way Home* is a history of illicit drug use in America in the second half of the twentieth century and a personal journey through the drug experience It's the remarkable story of how America got high the epic tale of how the American Century transformed into the Great Stoned Age Martin Torgoff begins with the avant garde worlds of bebop jazz and the emerging Beat writers who embraced the consciousness altering properties of marijuana and other underground drugs These musicians and writers midwived the age of marijuana in the 1960s even as Timothy Leary and Richard Alpert later Ram Dass discovered the power of LSD ushering in the psychedelic era While President John Kennedy proclaimed a New Frontier and NASA journeyed to the moon millions of young Americans began discovering their own new frontiers on a voyage to inner space What had been the province of a fringe avant garde only a decade earlier became a mass movement that affected and altered mainstream America And so America sped through the century dropping acid and eating magic mushrooms at home shooting heroin and ingesting amphetamines in Vietnam snorting cocaine in the disco era smoking crack cocaine in the devastated inner cities of the 1980s discovering MDMA Ecstasy in the rave culture of the 1990s *Can't Find My Way Home* tells this extraordinary story by weaving together first person accounts and historical background into a narrative vast in scope yet rich in intimate detail Among those who describe their experiments with consciousness are Allen Ginsberg Timothy Leary Robert Stone Wavy Gravy Grace Slick Oliver Stone Peter Coyote David Crosby and many others from Haight Ashbury to Studio 54 to housing projects and rave warehouses But *Can't Find My Way Home* does not neglect the recovery movement the war on drugs and the ongoing debate over drug policy And even as Martin Torgoff tells the story of his own addiction and recovery he neither romanticizes nor demonizes drugs If he finds them less dangerous than the moral crusaders say they are he also finds them less benign than advocates insist Illegal drugs changed the cultural landscape of America and they continue to shape our country with enormous consequences This ambitious fascinating book is the story of how that happened
