Lost Houses Of Britain:

Lost Houses of Britain Anna Sproule, 1982 **The Ice-houses of Britain** Sylvia P. Beamon, Susan Roaf, 1990 This illustrated study places ice houses in an historical context from earliest times until the present day The text concentrates in particular on British designs which are compared with similar structures around the world The British Aristocracy and the Modern World Professor Miles Taylor, Christopher Ridgway, 2025-07-02 In the thirty five years since the publication of David Cannadine's *Decline and Fall of the British Aristocracy* 1990 the power of Britain's landed elite declined but they remain far from extinct One third of Britain's land still belongs to the aristocracy Moreover partly inspired by Cannadine's book we now know much more about the ways in which the aristocracy established their hold on modernity and how they have lasted so long Many key questions remain How much was this a distinctively British story to what extent were things different in Scotland Wales and Ireland Does decline and fall accurately describe what happened to landed elites in other countries particularly in western Europe or amongst assimilated elites such as Jews Was the soft power of the aristocracy their role in the arts philanthropy and higher education as significant as their political and economic sway How dependent on the colonies and also the USA were the British aristocracy for their wealth in the first place and how did their role overseas change their profile at home This volume brings together a wide ranging group of scholars to explore *The Decline and Fall* developing its themes in new ways and investigating other aspects for the first time **Country houses and the British Empire, 1700-1930** Stephanie Barczewski, 2017-02-01 *Country houses and the British empire 1700 1930* assesses the economic and cultural links between country houses and the Empire between the eighteenth and twentieth centuries Using sources from over fifty British and Irish archives it enables readers to better understand the impact of the empire upon the British metropolis by showing both the geographical variations and its different cultural manifestations Barczewski offers a rare scholarly analysis of the history of country houses that goes beyond an architectural or biographical study and recognises their importance as the physical embodiments of imperial wealth and reflectors of imperial cultural influences In so doing she restores them to their true place of centrality in British culture over the last three centuries and provides fresh insights into the role of the Empire in the British metropolis The British Country House Revival Ben Cowell, 2024 British country houses have experienced a renaissance since the early 1970s A new accord is needed today recognising the increasingly contested contribution of country houses to British cultural life Fifty years ago the future for country houses in Britain looked bleak The Victoria Albert Museum's exhibition *The Destruction of the Country House* which opened in October 1974 charted the loss of over a thousand country houses in the preceding century The makers of the exhibition warned that history could be about to repeat itself because of the threats besetting mansion properties principally from higher taxation Houses faced the prospect of having to be stripped of their collections and sold for use as offices hotels or hospitals with their parks and gardens turned into golf clubs Government might afford to save just a handful of the most significant of these

places working in tandem with charities such as the National Trust The rest would be consigned to history This book traces the history of country houses in Britain from the Destruction exhibition to the present day The wave of country house losses anticipated in 1974 never actually happened Instead over the next five decades Britain's country houses experienced a renaissance Fiscal rules changed in the mid 1970s to make it easier for owners to hold on to their assets Economic improvements in the 1980s and 1990s allowed many houses and estates to develop profitable commercial businesses All of this was achieved only after dedicated campaigning from heritage organisations in support of the country house cause The book argues that a new accord is needed today to recognise and value the ongoing if increasingly contested contribution of country houses to British life and culture in the twenty first century **The Lost Houses of Wales** Thomas Lloyd,1989

The Promise of Welfare in the Postwar British and Anglophone Novel Kelly M. Rich,2023 A study of the literature of the Second World War and its aftermath focusing on the welfare state and wartime visions of rebuilding Britain **Lost Buildings of Britain** Simon Thurley,2004 Accompanying a six part series on Channel Four this volume features six buildings including Glastonbury monastery and the Theatre Royal **Collections Vol 10 N1** Collections,2014-03-18 Collections A Journal for Museum and Archives Professionals is a multi disciplinary peer reviewed journal dedicated to the discussion of all aspects of handling preserving researching and organizing collections Curators archivists collections managers preparators registrars educators students and others contribute **The Country Houses of England, 1948-1998** John Cornforth,1998 Lavishly illustrated this book explores the survival of Britain's country houses against all the odds It examines the growing enthusiasm for preservation and land scape history and looks at the contribution of bodies like English Heritage The Country House Revealed Dan Cruickshank,2012-07-31 Spanning the architectural history of the country house from the disarming Elizabethan charm of South Wraxall the classical rigour of Kinross in Scotland the majesty and ingenuity of Hawksmoor's Easton Neston the Palladian sweep of Wentworth Woodhouse with over 300 rooms and frontage of 600 feet the imperial exuberance of Clandeboye through to the ebullient vitality of Lutyens Marshcourt the stories of these houses tell the story of our nation All are the are buildings of the greatest architectural interest each with a fascinating human story to tell and all remain private homes that are closed to the public But their owners have opened their doors and allowed Dan Cruickshank to roam the corridors and rummage in the cellars as he teases out the story of each house who built them the generations who lived in them and the families who lost them Along the way he has uncovered tales of excess and profligacy tragedy comedy power and ambition And as these intriguing narratives take shape Dan shows how the story of each house is inseparable from the social and economic history of Britain Each one is built as a wave of economic development crests or crumbles Each one's architecture and design is thus expressive of the aims strengths and frailties of those who built them Together they plot the psychological economic and social route map of our country's ruling class in a rich new telling of our island story **Advanced Research and Design Tools for Architectural Heritage** Stefania Stellacci,Danilo

Giglietto, Chiara Piccoli, 2024-07-31 *Advanced Research and Design Tools for Architectural Heritage Unforeseen Paths* rethinks how to analyse preserve and adapt Architectural Heritage and its surroundings along unforeseen paths using a broad spectrum of advanced research and design tools By delving into conceptual foundations and recent applications it transcends disciplinary boundaries and leverages advanced design tools such as space syntax natural language processing advanced photogrammetry heritage building information modelling and virtual reality This book offers a comprehensive collection of collaborative research studies by a team of scholars with diverse perspectives and digital expertise from long term projects Encompassing case studies and recent academic experiences the volume explores notable heritage sites in Europe Asia and Africa Readers are afforded a nuanced understanding of integrated tools through a forward looking approach By addressing critical heritage challenges the book contributes to reshaping architecture discourse and practice The chapters explore the integration of advanced methodologies to address emerging societal concerns making the book a valuable resource for architecture archaeology urban planning catering to professors trainers and students Additionally its relevance extends to practitioners interested in cultural studies urban policies and data science including archivists representatives from public governmental authorities and policy stakeholders

Mural Painting in Britain 1630-1730 Lydia Hamlett, 2020-03-20 This book illuminates the original meanings of seventeenth and early eighteenth century mural paintings in Britain At the time these were called histories Throughout the eighteenth century though the term became directly associated with easel painting and as history painting achieved the status of a sublime genre any link with painted architectural interiors was lost Whilst both genres contained historical figures and narratives it was the ways of viewing them that differed Lydia Hamlett emphasises the way that mural paintings were experienced by spectators within their architectural settings New iconographical interpretations and theories of effect and affect are considered an important part of their wider historical cultural and social contexts This book is intended to be read primarily by specialists graduate and undergraduate students with an interest in new approaches to British art of the seventeenth and eighteenth centuries

Historic House Museums in the United States and the United Kingdom Linda Young, 2016-12-13 *Historic House Museums in the United States and the United Kingdom* A History addresses the phenomenon of historic houses as a distinct species of museum Everyone understands the special nature of an art museum a national museum or a science museum but house museum nearly always requires clarification In the United States the term is almost synonymous with historic preservation in the United Kingdom it is simply unfamiliar the very idea being conflated with stately homes and the National Trust By analyzing the motivation of the founders and subsequent keepers of house museums Linda Young identifies a typology that casts light on what house museums were intended to represent and their significance or lack thereof today This book examines heroes houses once inhabited by great persons e g

Shakespeare's birthplace Washington's Mount Vernon artwork houses national identity as specially visible in house design style and technique e.g. Frank Lloyd Wright houses Modernist houses collectors houses a microcosm of collecting in situ domestic subsequently presented to the nation as the exemplars of taste e.g. Sir John Soane's Museum Isabella Stewart Gardner Museum English country houses the palaces of the aristocracy maintained thanks to primogeniture but threatened with redundancy and rescued as museums to be touted as the peak of English national culture English country houses the palaces of the aristocracy maintained for centuries thanks to primogeniture but threatened by redundancy and strangely rescued as museums now touted as the peak of English national culture Everyman woman's social history houses the modern domestic response to elite houses presented as social history but tinged with generic ancestor veneration e.g. tenement house museums in Glasgow and New York

The East India Company at Home, 1757-1857 Margot Finn, Kate Smith, 2018-02-15 The East India Company at Home 1757-1857 explores how empire in Asia shaped British country houses their interiors and the lives of their residents It includes chapters from researchers based in a wide range of settings such as archives and libraries museums heritage organisations the community of family historians and universities It moves beyond conventional academic narratives and makes an important contribution to ongoing debates around how empire impacted Britain The volume focuses on the propertied families of the East India Company at the height of Company rule From the Battle of Plassey in 1757 to the outbreak of the Indian Uprising in 1857 objects people and wealth flowed to Britain from Asia As men in Company service increasingly shifted their activities from trade to military expansion and political administration a new population of civil servants army officers surveyors and surgeons journeyed to India to make their fortunes These Company men and their families acquired wealth tastes and identities in India which travelled home with them to Britain Their stories the biographies of their Indian possessions and the narratives of the stately homes in Britain that came to house them frame our explorations of imperial culture and its British legacies

The Country House Library Mark Purcell, 2019-09-03 Beginning with new evidence that cites the presence of books in Roman villas and concluding with present day vicissitudes of collecting this generously illustrated book presents a complete survey of British and Irish country house libraries Replete with engaging anecdotes about owners and librarians the book features fascinating information on acquisition bordering on obsession the process of designing library architecture and the care and neglect of collections The author also disputes the notion that these libraries were merely for show arguing that many of them were profoundly scholarly assembled with meticulous care and frequently used for intellectual pursuits For those who love books and the libraries in which they are collected and stored The Country House Library is an essential volume to own

Report of the Commissioners Appointed ... to Inquire Concerning Charities in England [and Wales] for the Education of the Poor ... Great Britain. Commissioners for Inquiring Concerning Charities, 1835 [Appletons' Annual Cyclopaedia and Register of Important Events](#), 1887 **Sir John Soane? Influence on Architecture from 1791** Oliver

Bradbury, 2017-07-05 Sir John Soane's Influence on Architecture from 1791 A Continuing Legacy is the first in depth study of this eighteenth century British architect's impact on the work of others extending globally and still indeed the case over 200 years later Author Oliver Bradbury presents a compelling argument that the influence of Soane 1753 1837 has persevered through the centuries rather than waning around the time of his death Through examinations of internationally renowned architects from Benjamin Henry Latrobe to Philip Johnson as well as a number of not so well known Soanean disciples Bradbury posits that Soane is perhaps second only to Palladio in terms of the longevity of his influence on architecture through the course of more than two centuries from the early 1790s to today concluding with the recent return to pure revivalism Previous investigations have been limited to focusing on Soane's late Georgian and then post modern influence this is the first in depth study of his impact over the course of two centuries Through this survey Bradbury demonstrates that Soane's influence has been truly international in the pre modern era reaching throughout the British Isles and beyond to North America and even colonial Australia Through his inclusion of select detailed case studies Bradbury contends that Soane's is a continuing not negated legacy in architecture
