

The Lost Leader

I.

Just for a handful of silver he left us,
Just for a riband to stick in his coat---
Found the one gift of which fortune bereft us,
Lost all the others she lets us devote;
They, with the gold to give, doled him out silver,
So much was theirs who so little allowed:
How all our copper had gone for his service!
Rags---were they purple, his heart had been proud!
We that had loved him so, followed him, honoured him,
Lived in his mild and magnificent eye,
Learned his great language, caught his clear accents,

Made him our pattern to live and to die!
Shakespeare was of us, Milton was for us,
Burns, Shelley, were with us,---they watch from their graves!
He alone breaks from the van and the free-men,
---He alone sinks to the rear and the slaves!

II.

We shall march prospering,---not thro' his presence;
Songs may inspirit us,---not from his lyre;
Deeds will be done,---while he boasts his quiescence,

Still bidding crouch whom the rest bade aspire:
Blot out his name, then, record one lost soul more,
One task more declined, one more foot-path untrod,
One more devils'-triumph and sorrow for angels,
One wrong more to man, one more insult to God!
Life's night begins: let him never come back to us!
There would be doubt, hesitation and pain,
Forced praise on our part---the glimmer of twilight,
Never glad confident morning again!
Best fight on well, for we taught him---strike gallantly,
Menace our heart ere we master his own;

Then let him receive the new knowledge and wait us,
Pardoned in heaven, the first by the throne!

Newell,2011-01-18 Because of the triumph of postmodern studies explication of classic poems by great dead white male English poets of preceding centuries has greatly declined in the last several decades even though many of the poems may still be puzzling to interested readers young and old This book is addressed to both audiences in the hope that new explications of twelve classic poems or sections of these poems by Blake Wordsworth Coleridge Keats Shelley Tennyson Browning Arnold Hardy Yeats and Auden may help sustain interest in the poems Although the explication procedure is now unpopular in theory and held to be as subjective as interpretation the procedure is based on the experience that if a puzzling poem is reasoned with it can often be found to make sense on a basic level of understanding a sense perhaps complex ambiguous or ambivalent but not self contradictory In essence then this is a book of poetry explications having esthetic aims but written in an era of unesthetic political and cultural studies The term conservative in the title refers to explicatory rather than political conservatism as well as to critical and literary conservation i e to conserving the practice of explication whether upon literary works old or new and so also conserving esthetic interest in the old works themselves The book also attempts to show that new conservative explications are still possible and can be still useful even in the postmodern era and even on classic poems already much explicated and that therefore explication still has much to do in the work of literary studies in the postmodern era Journal and Proceedings of the Hamilton Association for Session of 1892-93 Anonymous,2025-07-12 Reprint of the original first published in 1893 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **Pope's Passion** Kaye Pope,Owen Pope,2016-07-06 Owen Pope grew up in the small New Zealand farming community of Haldane situated at the far end of the South Island but he didnt immediately throw himself into farming Instead he tried a variety of jobs and married young ignoring those who told him he was making a mistake He had three children before divorcing and ending up in a bitter custody dispute Everything changed when he met a schoolteacher named Kaye who he asked to marry him after knowing her a week In 1987 they became the proud owners of a block of land in the Moutere which had a small patch of raspberries The couple thought they could make money from a raspberry crop but that wasnt easy They discovered that they could add value to their crop by making jam and began selling their Anathoth brand of jams at a brisk pace Soon other farmers joined their effort and the couple found themselves at the top of one of New Zealands most successful businesses Join the Papes as they celebrate family values and reveal the business secrets that allowed them to build an empire built on jams pickles and hard work in *Popes Passion* Current Opinion Edward Jewitt Wheeler, Frank Crane,1918

Browning's Shorter Poems Robert Browning, 2022-09-15 *Browning's Shorter Poems* showcases Robert Browning's mastery of poetic form and psychological depth. With a collection that spans several decades, Browning's verse employs dramatic monologues, lyrical expressions, and vivid imagery to explore themes of love, faith, and human struggle. His unique stylistic choices, including intricate rhyme schemes and compelling narrative techniques, situate him as a transformative figure in Victorian poetry, pushing boundaries while retaining accessibility that resonates with the modern reader. Browning's engagement with social concerns, including the complexities of identity and morality, is particularly evident in pieces such as *The Last Ride Together* and *Meeting at Night*, where personal emotion interweaves seamlessly with broader existential queries. Robert Browning (1812-1889) emerged from a background rich in literary influence, encouraged by a self-taught education and an early passion for poetry. His marriage to fellow poet Elizabeth Barrett Browning deeply informed his work, fostering an environment conducive to creative exploration. The evolution of his poetic voice reflects his own intellectual pursuits and keen observations of human nature, cementing his reputation as one of the foremost poets of the Victorian era. This collection is essential for readers seeking not only to appreciate Browning's lyrical genius but also to engage with the profound human experiences he captures so expertly. Whether you are a seasoned poetry lover or new to Browning's work, *Browning's Shorter Poems* serves as a vital entry point into the rich tapestry of Victorian literature. **London Quarterly Review**, 1877
