 generous selection from Holmes s six volumes of poetry there is also a full reproduction of Holmes s essay What is Poetry
 which served to delineate his thinking on the discipline Supporting these original works is both a lengthy scholarly
 introduction and extensive endnotes which serve to locate Holmes s poetry not merely within the context of its time and
 amongst his own contemporaries but also to make a case for the importance of this body of work in its own right particularly
 in its promulgation of original and innovative ideas Holmes s poetry represents a particularly unique combination of
 traditional verse form coupled with innovative and esoteric subject matter often drawing upon Eastern Buddhist philosophy

The Fate of the Forest Susanna B. Hecht,Alexander Cockburn,2011-01-15 The Amazon rain forest covers more than five million square kilometers amid the territories of nine different nations It represents over half of the planet s remaining rain forest Is it truly in peril What steps are necessary to save it To understand the future of Amazonia one must know how its history was forged in the eras of large pre Columbian populations in the gold rush of conquistadors in centuries of slavery in the schemes of Brazil s military dictators in the 1960s and 1970s and in new globalized economies where Brazilian soy and beef now dominate while the market in carbon credits raises the value of standing forest Susanna Hecht and Alexander Cockburn show in compelling detail the panorama of destruction as it unfolded and also reveal the extraordinary turnaround that is now taking place thanks to both the social movements and the emergence of new environmental markets Exploring the role of human hands in destroying and saving this vast forested region The Fate of the Forest pivots on the murder of Chico Mendes the legendary labor and environmental organizer assassinated after successful confrontations with big ranchers A multifaceted portrait of Eden under siege complete with a new preface and afterword by the authors this book
