Stewart, 2025-07-29 Jonathan Demme one of the most influential and dynamic directors of the twentieth century was a fearless and radical filmmaker screenwriter and producer a compassionate artist advocate and humanist who was compelled to tell the stories of marginalized communities His intense passion and appreciation of music culture and art were interwoven throughout his life and extraordinary body of work *There's No Going Back* is the first complete biography of an auteur whose remarkable and versatile career encompassed acclaimed narratives documentaries and films spanning nearly five decades Best known for *Melvin and Howard* 1980 *The Silence of the Lambs* 1991 *Philadelphia* 1993 and *Beloved* 1998 Demme was an Oscar winning filmmaker with a recognizable style and voice He often used that voice to champion women's rights and amplify social and environmental justice issues Demme was also well regarded for the loyalty devotion and collegiality shown to the actors camera crew and technical staff he employed in his projects Cinephile and journalist David M Stewart affirms that Demme was more than just a quirky filmmaker or a product of 1970s New Hollywood he was ceaseless and earnest in his approach to capturing humanity in all its complexities Drawing from interviews with Demme's collaborators and colleagues Stewart presents the many facets of the filmmaker's life as seen through the eyes of those who were in his warm eclectic orbit *There's No Going Back* is a compelling and fitting tribute to the brilliance and breadth of the man behind the camera The Sage's Apprentice Chinmoy Mukherjee, 2025-06-13 In the ancient and sacred land of Bharat a realm painted with the golden light of dawn striking the peaks of the Himalayas and the deep emerald of its sprawling forests a young boy named Arjun found himself standing at the precipice of destiny This was a time when the very air hummed with mantras when the rustle of leaves in the wind could be interpreted by sages and when the veil between the mortal and divine worlds was as thin as morning mist Born with a mind as restless and vast as the ocean and a heart that beat with the rhythm of untold stories Arjun was a vessel waiting to be filled His journey was not merely a physical passage across the sun drenched plains and through the shadowy depths of ancient woods but a profound pilgrimage into the very soul of wisdom His quest for knowledge a thirst that parched his very spirit led him to the hermitages of thirty revered rishis These were not mere men but luminous beings living libraries of cosmic law their beards as white as mountain snow and their eyes holding the depth of the starry night sky Each rishi was a unique gem refracting the singular light of Brahman into a brilliant spectrum of understanding From the resonant chants echoing in a fire lit cave to

the silent meditation practiced by a glacial lake each hermitage offered a different path to the same ultimate truth

Dignaga on the Interpretation of Signs R.P. Hayes, 2012-12-06 Buddhist philosophy in India in the early sixth century C E took an important turn away from the traditional methods of explaining and systematizing the teachings in Sutra literature that were attributed to the Buddha. The new direction in which several Indian Buddhist philosophers began to move was that of following reasoning to its natural conclusions regardless whether the conclusions conflicted with traditional teachings. The central figure in this new movement was Dignaga, a native of South India who found his way to the centre of Buddhist education at Nalanda, studied the treatises that were learned by the Buddhist intellectuals of his day and eventually wrote works of his own that formed the core of a distinctly new school of Buddhist thought. Inasmuch as virtually every Indian philosopher after the sixth century had either to reject Dignaga's methods or build upon the foundations provided by his investigations into logic, epistemology and language, his influence on the evolution of Indian philosophy was considerable and indeed some familiarity with Dignaga's arguments and conclusions is indispensable for anyone who wishes to understand the historical development of Indian thought. Moreover, since the approach to Buddhism that grew out of Dignaga's meditations on language and the limits of knowledge dominated the minds of many of the scholars who took Buddhism to Tibet, some familiarity with Dignaga is also essential to those who wish to understand the intellectual infrastructure of Tibetan Buddhist philosophy and practice.

The Trouble with Buddhism Robert M. Ellis, 2011-03-13 This book is a critique of Buddhism by a philosopher with about 20 years experience of practising Buddhism. It attempts to judge Buddhism by the standards of its own key insight of the Middle Way. This book argues that Buddhism has often abandoned the Middle Way and allowed dogmatic metaphysical assumptions to take its place. The Buddha criticised appeals to metaphysics yet many of the trappings of traditional Buddhism are built on it, whether these are karma and rebirth, the revelations of the enlightened and their scriptures, dependent origination, the interpretation of the Four Noble Truths, alienated idealisations of love or rituals that celebrate metaphysics rather than insight. This is not a purely negative book but an attempt at a balanced appraisal of Buddhism with praise as well as criticism. In the West we have an opportunity to evaluate Buddhism anew and reform it so that it best applies its own insights.

Sailing Through the 7 C's T. K. Rosevear, 2007-02 Get the rhythm of CYCLES to CHANGE CIRCLES and CHOOSE COMMUNITY with CHARACTER and CHAKRA energies. 7C's: Come sail with me, Pull up the anchors, take the wheel and set sail, we begin this journey as our true self prevails, questioning what makes us come alive we find these 7C's rhythms give us more than peace of mind. We'll follow the stars to grasp our bearings, Identify our emotions from just caring to sharing, we'll choose to be mindful and map out our thoughts, steering clear of the sharks encircling what's sought. We dig for the treasure and connection to our tribe and identify our chakras or energetic vibe we've created a compass to find destiny's port, complete in community of like minded sorts. The journey is stormy, the destination unclear until we remember there is nothing to FEAR.

Come sail with me you are not alone We ll sail together and reap what we ve sown T K Rosevear 1 2007 CONTACT authork@gmail.com
