Ranft,2016-04-30 Given the significance of spiritual direction in modern Christianity surprisingly little attention has been given to the tradition upon which today s spiritual direction is built This book delineates the history of spiritual direction for women and by women within the larger context of the history of Christian spirituality and its understanding of human perfectibility By examining the ways in which women practiced spiritual direction this study reveals the degree to which women influenced society by using an avenue of influence previously overlooked by scholars *Public Documents of Massachusetts* Massachusetts,1905 **The Story of the Santa Maria Institute** Anna Catherine Minogue,1922 *Annual Report of the Board of Registration in Medicine* Massachusetts.
