FLOWERS In Black & White Leo Touchet,2018-10-22 A collection of digital black white photos of flowers photographed over several years after switching from film to digital *Roadblocks to Freedom* Andrew Fede,2012-01-20 This new book by Andrew Fede considers the law of freedom suits and manumission from the point of view of legal procedure evidence rules damage awards and trial practice in addition to the abstract principles stated in the appellate decisions The author shows that procedural and evidentiary roadblocks made it increasingly impossible for many slaves or free blacks who were wrongfully held as slaves to litigate their freedom Even some of the most celebrated cases in which the courts freed slaves must be read as tempered by the legal realities the actors faced or the courts actually recognized in the process Slave owners in almost all slave societies had the right to manumit or free all or some of their slaves Slavery law also permitted people to win their freedom if they were held as slaves contrary to law In this book Fede provides a comprehensive view of how some enslaved litigants won their freedom in the court and how many others like Dred and Harriet Scott did not because of the substantive and procedural barriers that both judges and legislators placed in the way of people held in slavery who sought their freedom in court From the 17th century to the Civil War Southern governments built roadblock after roadblock to the freedom sought by deserving enslaved people even if this restricted the masters rights to free their slaves or defied settled law They increasingly prohibited all manumissions and added layers of procedure to those seeking freedom while eventually providing a streamlined process by which free blacks voluntarily enslaved themselves and their children Drawing on his three decades of legal experience to take seriously the trial process and rules under which slave freedom cases were decided Fede considers how slave owners slaves and lawyers caused legal change from the bottom up **Lady and the Sea** Sharon Leaf,2011-09-30 After two failed marriages forty eight year old Rosie Atkisson struggles through the process of rebuilding her life with her husband Jesse in Southern California But in 1994 the settled rhythm of her newfound comfort is interrupted by a tug in her heart when she encounters a haunting photo of another aging lady the World War II vessel MS
