Louisiana Purchase Tim McNeese,2009 Though the present day United States stretches from the Atlantic Ocean to the Pacific the shape of the nation has shifted many times over the course of its history The year 1803 marked one of the greatest changes when President Thomas Jefferson purchased 828 000 square miles from France s Napoleon Bonaparte This area of land known then as the Louisiana Territory today comprises all or part of 15 states Buying the territory was no easy task however France was wrangling with political and military battles the deal required the talents of two of Jefferson s most talented diplomats and even the constitutionality of such land acquisition came under fire The Louisiana Purchase tells the story of the purchase that opened up the possibility of American westward expansion **The Louisiana Purchase and the**

Fleming,2007-08-20 From The Louisiana Purchase Like many other major events in world history the Louisiana Purchase is a fascinating mix of destiny and individual energy and creativity Thomas Jefferson would have been less than human had he not

claimed a major share of the credit In a private letter the president reviving a favorite metaphor said he very early saw Louisiana was a speck that could turn into a tornado He added that the public never knew how near this catastrophe was But he decided to calm the hotheads of the west and endure Napoleon s aggression betting that a war with England would force Bonaparte to sell This policy saved us from the storm Omitted almost entirely from this account is the melodrama of the purchase so crowded with what ifs that might have changed the outcome and the history of the world The reports of the Lewis and Clark expedition electrified the nation with their descriptions of a region of broad rivers and rich soil of immense herds of buffalo and other game of grassy prairies seemingly as illimitable as the ocean From the Louisiana Purchase would come in future decades the states of Arkansas Missouri Iowa Nebraska South Dakota and large portions of what is now North Dakota Montana Wyoming Minnesota Colorado and Louisiana For the immediate future the purchase by doubling the size of the United States transformed it from a minor to a major world power The emboldened Americans soon absorbed West and East Florida and fought mighty England to a bloody stalemate in the War of 1812 Looking westward the orators of the 1840s who preached the Manifest Destiny of the United States to preside from sea to shining sea based their oratorical logic on the Louisiana Purchase
