Charms and Charming in Europe J. Roper, 2004-11-12 Historical records of charms the verbal element of vernacular magic date back at least as far as the late middle ages and charming has continued to be practiced until recently in most parts of Europe And yet the topic has received only scattered scholarly attention to date By bringing together many of the leading authorities on charms and charming from Europe and North America this book aims to rectify this neglect and by presenting discussions covering a variety of periods and of locations from Finland to France and from Hungary to England it forms an essential reader on the topic

John Chrysostom, Theologian of the Eucharist Kenneth J. Howell, 2024-06 Despite the fact that John Chrysostom wrote more on the Eucharist than any other Greek Church Father there has never been a full treatment of his doctrine in English In this book Kenneth Howell brings together a wide array of sources from which he develops a many sided portrait of Chrysostom's eucharistic thought While the Antiochene preacher assumed the real presence and the sacrificial nature of the Eucharist he focused more on the moral and spiritual implications of communion At the root of his theology lies the conviction that the Eucharist with its home in the liturgy is the extension of Christ's incarnate life through space and time All that Christ accomplished in his life death and resurrection is present and available to the communing Christian who stands in union with the angelic hosts in the liturgy of the church John's preaching at times reaches encomiastic proportions as he never tires of praising the benefits and power of the Eucharist and he deftly applies the sacrament to the struggle of virtue and vice as he explores both the invitation and the obstacles to communion Among the moral implications of the Eucharist John seems to distinguish well between sins arising from human weakness versus malicious dispositions freely chosen He is especially keen to exhort his hearers to lay aside the remembrance of evil mnesikakia done to them in their past lives Humility and forbearance are two essential virtues in arriving at forgiveness of past injuries And lack of forgiveness is like greed in that both constitute a turn in on oneself The Eucharist demands love of neighbor and active ministry to the less fortunate of the world For John God is interested in golden souls more than golden chalices

Dictionary of Plant Lore D.C. Watts, 2007-05-02 Knowledge of plant names can give insight into largely forgotten beliefs For example the common red poppy is known as Blind Man due to an old superstitious belief that if the poppy were put to the eyes it would cause blindness Many plant names derived from superstition folk lore or primal beliefs Other names are purely descriptive and can serve to explain the meaning of the botanical name For example Beauty Berry is the name given to the American shrub that belongs to the genus *Callicarpa* *Callicarpa* is Greek for beautiful fruit Still other names come from literary sources providing rich detail of the transmission of words through the ages Conceived as part of the author's wider interest in plant and tree lore and ethnobotanical studies this fully revised edition of Elsevier's *Dictionary of Plant Names and Their Origins* contains over 30 000 vernacular and literary English names of plants Wild and cultivated plants alike are identified by the botanical name Further detail provides a brief account of the meaning of

the name and detailed commentary on common usage Includes color images Inclusive of all Latin terms with vernacular derivatives The most comprehensive guide for plant scientists linguists botanists and historians *Flowers of fiction* ,1837
