**Holy Wars** Don Wigton, 2008-01-25 Holy Wars is the most memorable book on the subject of church music I ve ever read Your work is exquisite Frank Pooler Professor Director Cal State Long Beach University Choir Holy Wars is a comprehensive worship study written for every believer who seeks to live a life of true biblical worship within the cultural storm that we find ourselves today It is an intimate book written for the benefit of promoting a personal relationship with Jesus Christ according to the guidance of God s Word When we think of Holy Wars one might picture terrorism But there is a Holy War raging within the church itself that is proving to be of far more consequence than Islamic dread Because this war is engaged within the worship life of the people of God the outcome could seriously undermine Christian orthodoxy and the Christian way of life for generations to come As the result of the efforts of Church Growth advocates congregations throughout America are contending over different notions of worship The decisions that Christians make in that regard will determine the shape and influence of the Church and the nature of our society over the next century We can find answers within this ongoing battle once we have come to a full understanding of the nature of biblical worship Many times manipulative entertainment schemes attempts to conform to the world watered down theology church politics mediocre music and unbiblical worship forms drag the people of God away from their true calling Holy Wars delves into each of these areas of church life to discern what is going wrong while offering specific biblical remedies

*The Multicultural Church* Dan Willis, 2020-03-17 Despite the progress our country has made in Civil Rights over the past century Sunday morning is still one of the most segregated times in America It seems like the only people striving to lead in the area of racial reconciliation are politicians activists and celebrities Pastor Dan Willis wants to know Where is the church What can the people of God do to become leaders again and not just be Johnny come lately followers The art of bringing harmony to the masses lies in the love all should see in the church of God If the church is to make a difference and return to relevance in this world the only option is multicultural ministry If leaders are not prepared to minister to this growing culture then American Christianity is in danger of becoming nonessential to the body of believers For years Dan Willis has led a growing multicultural Christian community in the suburbs of Chicago In *The Multicultural Church* Dan shares what he has learned the mistakes he has made and what can be done to successfully minister to a diverse culture
