Have you ever been intensely in love with someone whom you cannot seem to live without? Someone whom you cannot kiss, romance, nor embrace whenever? The physical aspects of your relationship are profoundly hard to meet. You are together but separated by thousands of miles. A flight away. The phone calls, video calls, text messages, and mails are the source of reassurance and growth. *Distant Love* is a collection of love poems written throughout my years of being in a long distance relationship. Writing these poems was a way to cope with missing my partner. This book of love poems entails a glance of our journey. **Freedom from the Known** J. Krishnamurti, 2024-10-17. Embark on a profound journey of self-discovery with J. Krishnamurti's *Freedom from the Known*. This enlightening work invites you to break free from the shackles of societal expectations and become the true architect of your own destiny. Krishnamurti delves into the essence of human disorder, revealing that our inner turmoil often stems from living according to the dictates of others rather than our own authentic selves. In his most thought-provoking style, Krishnamurti illuminates the path to immediate and radical freedom. He demonstrates how transforming our inner world can reshape our relationships and the very structure of society. This vital book underscores the urgent need for change and the boundless possibilities that arise when we recognize our own potential for transformation. Let *Freedom from the Known* guide you towards a deeper understanding of yourself and a liberated way of life. **Unfolding Drama of Redemption (Scroggie)** William Graham Scroggie, 1994. **The American Scrap Book**, 1928. **From Veronica With Love** Veronica Bennett-Butcher, 2006-12. An absorbing memoir of convent life, dodging bombs in London in WWII, adventures in the Women's Auxiliary Air Force, emigration to Canada, then the US, and subsequent retirement in Canada. **The Silences of Jesus and St. Paul's Hymn to Love** Percy Clough Ainsworth, 1912. **The Sunset**, 1903. *Power to Break the Chains* Joseph A. Ruiz, 2024-06-10. *Power to Break the Chains* is more than a true life story. It is a book about a man born in Mexico who moved to the United States, endured his father's incarceration, his brother's electrocution, his sister's genetic disorder, and his time in an orphanage. You will see the power of resilience, hard work, and perseverance, but above all, you will see the power of God available to all of us. All the odds were against him. He should have been one more sad statistic. However, he overcame all obstacles through education, hard work, resilience, and God's love and mercy. God uses ordinary people to spread His message and help others. He gives us the power to break the chains that bind us to generational struggles, poverty, addictions, and anything else that holds us back. He wants to see you live a life full of freedom and hope. He has great plans for your life. You will laugh, cry, and be inspired after reading this book. **The New Mind** J. Krishnamurti, 2022-09-09. In these Talks given in India and Saanen, Krishnamurti speaks to the necessity for a new way of looking, thinking, and being in the world. What is the effect or value of an individual changing? How will that transform the whole current of human existence? What can an

individual do there is no such thing as an individual consciousness there is only consciousness of which we are a part You might segregate yourself and build a wall of a particular space called the me But that me is related to the whole that me is not separate And in transforming that particular section that particular part we will affect the whole of consciousness And I think this is very important to realize that we are not talking about individual salvation or individual reformation but about being aware of the particular in relation to the total Then out of that realization comes action which will affect the whole
