Women of the Kakawin World Helen Creese, 2015-01-28 In this fascinating study the lives and mores of women in one of the least understood but most densely populated areas of the world are unveiled through the eyes of generations of court poets For more than a millennium the poets of the Indic courts of Java and Bali composed epic kakawin poems in which they recreated the court environment where they and their royal patrons lived Major themes in this poetry form include war love and marriage It is a rich source for the cultural and social history of Indonesia Still being produced in Bali today kakawin remain of interest and relevance to Balinese cultural and religious identities This book draws on the epic kakawin poetry tradition to examine the institutions of courtship and marriage in the Indic courts Its primary purpose is to explore the experiences of women belonging to the kakawin world although the texts by nature reveal more about the discourses concerning women sexuality and gender than of the historical experiences of individual women For over a thousand years these royal courts were major patrons of the arts The court sponsored epic works that have survived provide an ongoing literary testimony to the cultural and social concerns of court society from its earliest recorded history until its demise at the end of the nineteenth century This study examines the idealized images of women and sexuality that have pervaded Javanese and Balinese culture and provides insights into a number of cultural

practices such as sati or belā self immolation of widows Love in the Age of Reptiles Wayne Kyle Spitzer, 2021-03-26 First came the time storm which erased half the population Then came the Dinosaur Apocalypse How did it all begin Well that depends on where you were and who you ask In some places it started with the weather which quickly became unstable and began behaving in impossible ways In still others it started with the lights in the sky which shifted and pulsed and could not be explained Elsewhere it started with the disappearances one here a few there but increasing in occurrence until fully three quarters of the population had vanished Either way there is one thing on which everyone agrees it didn't take long for the prehistoric flora and fauna to start showing up often appearing right where someone was standing in which case the two were fused spliced amalgamated It didn't take long for the great Time displacement called the Flashback which was brief but had aftershocks like an earthquake to change the face of the earth Nor for the stories some long and others short some from before the maelstrom and resulting societal collapse and others after to be recorded Collected herein are the stories in which Love mattered From Love in the Age of Reptiles There were six of them as I said all of whom rushed us the instant our feet touched the ground All of whom snarled and charged us like wolverines as we raised our weapons and fired the flare gun cracking and hissing blanching the scarlet haze for the sun had painted everything red and gold its projectile punching through one of the raptors chests and lighting it up so that its ribs were backlit briefly and I could see if only for an instant its burning beating heart Yet still they came another one leaping at me even as I dropped the gun which clattered against the planks as I dropped it and grabbed the thing by its neck then brought the knife down with my other hand and stabbed it between the eyes Run I shouted even as Amanda shot another her second and then bolted toward the shore drawing the others so that I was able to snatch up the flare gun and quickly reload it so that I was able to pursue them and to shoot one in the back while Amanda turned and took out the last of them shooting it in the head so that the back of its skull exploded like a spaghetti dinner thrown against the wall so that it collapsed writhing about 10 feet in front of her whereupon she quickly approached it and shot it again just to be sure And then she looked at me as the dead and dying animals lay all around us and I looked back our chests heaving our faces covered in sweat our worn clothes bloody and disheveled and I knew that she knew which was that today we were the predators the thing needing to be feared the killers And that neither of us needed to worry not about food or other predators or mysterious lights in the sky or anything Because we were the masters of our fate we and no one else not even God And we were the master of the world's fate too At which she ran to me and we collided and I held her fast there on the long jetty in the Atlantic Ocean in the Bermuda Triangle there beneath a day moon and the blood red sky in an instant in which it was good so very good not to be afraid not to be alone And as to what may or may not have happened in those breaths those pulse points between that moment and the next the next day the next search the next milestone as to that I offer only a quote from Gandhi Speak only if it improves upon the silence **River of Love in an Age of Pollution** David Haberman, 2023-09-01 Celebrated as an aquatic form of divinity for thousands of years the Yamuna is one

of India's most sacred rivers. A prominent feature of north Indian culture, the Yamuna is conceptualized as a goddess flowing with liquid love, yet today it is severely polluted, the victim of fast-paced industrial development. This fascinating and beautifully written book investigates the stories, theology, and religious practices connected with this river goddess, collected from texts written over several millennia as well as from talks with pilgrims, priests, and worshippers who frequent the pilgrimage sites and temples located on her banks. David L. Haberman offers a detailed analysis of the environmental condition of the river and examines how religious practices are affected by its current pollution. He introduces Indian river environmentalism, a form of activism that is different in many ways from its western counterpart. *River of Love in an Age of Pollution* concludes with a consideration of the broader implications of the Yamuna's plight and its effect on worldwide efforts to preserve our environment. Celebrated as an aquatic form of divinity for thousands of years, the Yamuna is one of India's most sacred rivers. A prominent feature of north Indian culture, the Yamuna is conceptualized as a goddess flowing with liquid love, yet today it is severely polluted. *Love and Marriage in the Age of Chaucer* H.A. Kelly, 2004-01-30 Spicing erudition with wit, Professor Kelly takes a new look at medieval attitudes toward love, sexuality, and marriage, and he corrects a number of long-standing misconceptions embodied in the concept of courtly love. Through a close examination of canon law, the common practice of clandestine marriage, writings on mysticism, and medieval poetry, particularly Gower's *Confessio amantis* and Chaucer's romances, and their sources, he concludes that medieval lovers favored matrimony and did not consider sexual passion incompatible with virtue. His evidence contradicts the theory closely associated with C.S. Lewis that extramarital love was preferred in the Middle Ages and that the sexual pleasures celebrated by poets were necessarily regarded as immoral by society at large. By placing religious and cultural conventions in their proper context, Professor Kelly shows that the hopes and fears of medieval lovers were much the same as those of lovers of all other ages. *Beyond the Path: Discipline, Love, and Growth* Ranjeet Singh, 2025-06-06 *Beyond the Path: Discipline, Love, and Growth* is a thoughtful exploration of how to live with greater intention, strength, and emotional depth. Costly Love John H. Armstrong, 2018-06-30 John Armstrong knows from personal experience how easy it is to put too much emphasis on correct teaching in our experience of church, and how easily we lose sight of the love on which Christ built his church when we do so. In *Costly Love*, Armstrong acknowledges the importance of doctrine and theological discussion in

the church but he urges Christians to focus first on whether we are following Jesus new commandment to love as he loved
Our actions of love will begin to bring us closer to unity with one another and with God **Love in the Age of Autism**

Ignaz von Döllinger,1877 Hardcore Punk in the Age of Reagan Robert Fitzgerald,2025-05-27 Few politicians produced the musical reaction that Ronald Reagan did His California branded conservatism inspired countless young people to pick up guitars and thrash out their political angst Punk bands across the United States took aim at the man his presidency and the idea of America he was selling to voters nationwide Small yet vibrant scenes across the country emerged to challenge the communal norms and social values projected on them by the popular media and consumer culture Punk enthusiast Robert Fitzgerald argues that these songs lyrics aren t just catchy and fun to scream along with they also reveal the thoughts and feelings of artists reacting to their political environment in real forthright and uncensored time In candid detail Fitzgerald shows how these lyrics illustrated what young adults felt and how they reacted to one of the most influential and divisive

leaders of the era Punk lyrics are seemingly simple the author argues but they sketch out a complex musically inspired countermovement that is as canonical in the American songbook as the folk and rock protest music that came before **A Love Letter to M. The Transforming Fire of Divine Love John H. Armstrong,2025-03-01 Most Bible readers know God is love 1 John 4 8 16 And most have heard the words of John 3 16 God so loved the world perhaps the best known verse in the entire Bible But few readers realize that these are perhaps the most daring verses in all the Scripture Why They tell us who God is and why we can trust him Yet very few Christians realize how much of what they believe about the nature of God is rooted in ideas foreign to divine love How did this happen What can be done to change how we can relate to the God who is perfect and inexhaustible love John Armstrong shares a deeply personal story of his long slow journey to know and experience God as a compassionate and loving Father As a pastor trained in evangelical theology he came to know and experience the teaching of the whole church about God thus the story he tells will inform how you can know the God who is amazing love This readable primer will help you develop a doctrine that can free you from guilt fear and many misconceptions we have about God You will see that what you believe about God will truly affect everything else you believe The Works of H.
