Winchell,2018-09-11 And you shall know the truth and the truth shall make you free John 8 32 NKJV All the devotional writings that are written in this book were given to me from God to write for every person who needs to read them I truly believe with all my heart that every single word that God gave me to write was given to me to help inspire direct guide lead and strengthen people who are facing difficult situations and to serve a specific purpose in their life In my devotional writings I might say things that a lot of people don t agree with or I might say a lot of things that people don t like But the fact of the matter is that every single word I write is given to me by God not because people want to hear it but because people need to hear it The truth of God s Word is undeniable in every way and only the truth of God s Word will set you free in the end So those who want everything sugarcoated to their satisfaction and according to their standards will keep them in denying the truth As most of you know I don t sugarcoat anything and I don t tell people what they want to hear I tell people what they need to hear based on the words God has given me Is it easy to tell people what they don t want to hear Of course

not but when God commands me to write the words he gives me I must obey him regardless if people are going to like it or not The truth and only the truth of God s words will set you free in the end The devotionals that I write are 70 percent scripture context 30 percent practical context and 100 percent inspired by God They are easy to relate to because a lot of people are often dealing with tough circumstances or going through difficult situations It s often difficult to interpret and understand the actual meaning of a particular Bible verse Each devotional that I write includes a Bible verse and a prayer The Bible verse directly correlates with the devotional so that people can relate to the Bible verse and understand it The prayer also directly relates to the devotional so that people can say the prayer and ask God for help I believe that Daily Guidance from God is a great tool that will help people better understand real life issues they are facing and how God can help them The devotional will help guide people in a positive and biblical way to seek God The purpose of Daily Guidance from God is to allow his guidance and direction to help people through their difficult circumstances and situations and to lead them down the correct path When you allow God to be the center of your life amazing things will happen that you will not even be able to imagine Everyone has good days and bad days but if you look to God for guidance in every situation you face he will help you and guide you to make the right choices and decisions I invite you to use this devotional to start your day with the positive words from God I promise that when you read this devotional when you wake up every day of your life will be brighter and your attitude will be more positive My writings each day include three parts a Bible verse a devotional and a prayer Bind them on your fingers Write them on the tablet of your heart Proverbs 7 3 NKJV THE INVINCIBLE OATH Gazal Saraogi, Suchitra Sharma, 2021-03-19 FRIEND SHIP is a ship which requires TRUST to float in this World It is a relationship of mutual affection between people Friends help you celebrate your good times and support you during bad times They are the only people that come in our mind when we are in a mess They are the ones who always protect us motivate us and guide us in our heavy times INVINCIBLE OATH is an OATH which is too POWERFUL to be BROKEN And this book defines friends in various ways So CHEERS TO THE FRIENDSHIP Metanoia John Thomas, 2022-12-16 Metanoia By John Thomas Someone is going to die today Preacher visits a prisoner named Mike who seems uneasy He asks Mike Oh my God who No one knows That s what makes us all nervous We all have enemies A guy could be killed for almost any reason around here Mike do me a favor let Arrow know I hope he is not in danger I will Pastor I will Someone dies that day Who is it and why Life in prison can be dangerous but daily some will consider living in prison as living in hell God s not here and doesn t care about me many prisoners might think But God hides in unusual places A preacher makes a call to action to save an evil man who has to choose between being saved or God s judgment Jesus and heaven or keep on the road to hell Both places are real God knows the human heart and can change it Metanoia means to change your mind and heart People who are slaves to sin are prisoners within their own worlds Let God speak to your heart in this book Be willing to accept Jesus and the challenge of being a Christian today Let God change your heart Find the true you This book can help set you free and show you the road
