Decision in Paris Lynn Lamarr, 2023-10-16 Decision in Paris Part 2 With the first lie the winter began With the slamming of the grand piano lid a decision is made that has bitter consequences for all and fate inexorably takes its course ans this forever When we close our eyes in this last part of Decision in Paris Volume II we are in the middle of Paris And find ourselves in a beautiful but tragic love story as in the last book which finds its continuation here seamlessly With a variety of new events which the author skillfully set the scene so that a very tightly knit haunting and under the skin drama has emerged Emotions that we can hardly escape This book makes your heart beat faster and the tears flow if we let them but only if we realize the meaning of this story Above all see what the author wanted to tell us with his story Now we begin where the second volume ends in Paris Who has never been in this city of love wants to go there after this book and who has been there before wants to do so again immediately It is the finding of a very special love in this city that chance allows It is the hymn to a single summer in Paris Of love Perhaps the events from the book will become blurred with your own memories of that city which in films and in so many songs always tells of only one thing love We would all like to experience it as intensively as these two protagonists in this novel But maybe it s also the exuberant feelings that immediately sweep you away
