Mortimer and the Witches Marie Carter, 2024-03-05 UNTAPPED

NEW YORK THE BEST NYC BOOKS OF ALL TIME The neglected histories of 19th century NYC's maligned working class fortune tellers and the man who set out to discredit them Under the pseudonym Q K Philander Doesticks P B humor writer Mortimer Thomson went undercover to investigate and report on the fortune tellers of New York City's tenements and slums When his articles were published in book form in 1858 they catalyzed a series of arrests that both scandalized and delighted the public But Mortimer was guarding some secrets of his own and in many ways his own life paralleled the lives of the women he both visited and vilified

In *Mortimer and the Witches* author Marie Carter examines the lives of these marginalized fortune tellers while also detailing Mortimer Thomson's peculiar and complicated biography Living primarily in the poor section of the Lower East Side nineteenth century fortune tellers offered their clients answers to all questions in astrology love and law matters They promised to cure ailments They spoke of loved ones from beyond the grave Yet Doesticks saw them as the worst of the worst evil doers His investigative reporting aimed to stop unsuspecting young women from seeking the corrupt soothsaying advice of these so called clairvoyants and to expose the absurd and woefully inaccurate predictions of these witches Marie Carter views these stories of working class immigrant women with more depth than Doesticks's mocking articles would allow In her analysis and discussion she presents them as three dimensional figures rather than the caricatures Doesticks made them out to be

What other professions at that time allowed women the kind of autonomy afforded by fortune telling Their eager customers many of whom were newly arrived immigrants trying to navigate life in a new country weren't as naive and gullible as Doesticks made them out to be They were often in need of guidance seeking out the advice of someone who had life experience to offer or simply enjoying the entertainment and attention Mortimer and the

Witches offers new insight into the neglected histories of working class fortune tellers and the creative ways that they tried to make a living when options were limited for them **Intuitive Love Tarot - Get Guidance & Answers on Dating, Marriage, Soulmates, Breakups, & More.** Kelly Wallace,2023-09-17 Are you trying to find your soulmate At a crossroads in your current relationship Wondering what lessons you and your partner need to learn Wondering why a relationship ended In need of some guidance and direction with your love life The tarot will show you without bias where you re doing well where you need to work on things what s holding you back and so much more In fact the cards can help you unlock just about any answer you re looking for But what if you ve never read the tarot before Or what if you ve only worked with your cards for a short while or are uncertain about the meanings In this book I ll cover how to use your intuition so you can do Love Readings for yourself or even others I offer traditional meanings at the end of the book too just to offer a bit more guidance Something I love about the tarot is that no two people will see the cards in the same way That s why tapping into your intuition is so important Yes you re going to interpret the cards based on your current hopes and fears your past and present but as you go even deeper you ll reach your very soul where all of the guidance you need now or ever will need is unlocked
