

My Crush

Sitting alone in this lonely hallway
As you can see there's nothing left
Since I'm the only one here
I can finally tell myself
I miss you and love you
But everyone laughs I don't understand why I must move on
All this frustration wont go away
All this anger wont make it better
I want to hit the walls and make the glass shatter

Maybe you'll run and rescue me this time

Now dont get carried away our I'll fall into heavy waves
Look I miss you to death
I need time to gather myself

I lay at night
The ceiling stands white
Everyone already dreaming

I refuse to close my eyes till you come into my life.....
my crush, my crush.....

George Meredith, 2013-01-08 Modern Love and Poems of the English Roadside occupies a distinctive and somewhat notorious

place within George Meredith's already unique body of work. *Modern Love* is now best known for the emotionally intense sonnet cycle which Meredith's own contemporaries dismissed as scandalously confessional and indiscreet. While individual sonnets from the work have been anthologized, the complete cycle is rarely included and the original edition has not been reprinted since its first appearance in 1862. This edition restores the original publication and supplements it with a range of accompanying materials that will reintroduce Meredith's astonishing collection of poetry to a new generation of readers.

A.M. Klein: Complete Poems A.M. Klein, 1990-12-15. It is for his poetry that A.M. Klein is best known and most warmly remembered. This collection includes all Klein's poetry, both original works and translations from Hebrew, Yiddish, Aramaic, and Latin. Many of them, coming from all periods of his career, have never been published. The poems are arranged chronologically according to date of composition. This makes possible for the first time an appreciation of Klein's poetic development. The editor's introduction places this development in the perspective of Klein's life and time and, in particular, explores Klein's lifelong struggle to reconcile his dual vocations as both a Jewish and a modernist writer. The textual apparatus identifies all authoritative versions for each poem and lists all emendations and all substantive variants in both published and manuscript versions. The explanatory notes gloss obscure terms and references. They also provide a rich

context for appreciation and interpretation by drawing connections with Klein's life, his wide reading, and his work as a whole. Wherever possible, Klein's own numerous but scattered comments on his poems have been cited. [The Write Thing: Kwame Alexander Engages Students in Writing Workshop](#) Kwame Alexander, 2018-07-02.
