Love in America Francesca M. Cancian, 1990-08-31 In the last twenty five years Americans have gained considerable freedom in thier personal lives Relationships are now more flexible and self development has become a primary goal for both men and women Most scholars have criticized this trend to greater freedom arguing that it undermines family bonds and promotes selfishness and extreme independence Francesca Cancian is more optimistic In this book she shows that many American couples succeed in combining self development with commitment and that interdependence not independence is their ideal In interdependent relationships love and self development do not conflict but reinforce each other *Love in America* compares traditional forms of marriage with these newer forms of close relationships Starting with the nineteenth century Cancian shows how gender roles became polarized with love which was identified with emotional expression no practical help being the responsibility of women while self development was regarded as a masculine concern These traditional images of love and relationships are still held by many Americans today even though as Cancian points out this can lead to marital conflict and individual stress and illness By contrast new images of love emphasizing self development for men and women and flexible androgynous roles began to emerge around 1900 accelerating in the 1960s She concludes that this trend to self development and androgyny will continue but that whether it will lead to more interdependent relationships or to more independence and isolation depends partly on economic and political changes in the wider society The evidence for Cancian s argument comes from sociological historical and psychological sources Her book will interest readers in these disciplines as

The Politics of Conjugal Love

Conor Sweeney, Brian T. Trainor, 2019-06-27 Does the New Testament teach that a wife must submit to her husband as head If so does it have a lasting value beyond the cultural milieu in which it was first articulated The Politics of Conjugal Love takes a fresh approach to this classic issue in theological anthropology paying specific attention to the role of theological hermeneutics in its interpretation Conor Sweeney and Brian T Trainor contend that both subordinationist and anti subordinationist readings of headship and submission miss the mark Their alternative is a baptismally specified trinitarian reading in which headship and submission appear as modes intrinsic to both life in Christ and the love proper to the highest mode of trinitarian love

Love and Toil Ellen Ross, 1993-11-25 The feisty warm hearted mum has long figured as a symbol of the working class in Britain yet working class history has emphasized male organizations such as clubs unions or political parties Investigating a different dimension of social history Love and Toil focuses on motherhood among the London poor in the late Victorian and Edwardian years and on the cultures communities and ties with husbands and children that women created Mothers skills in managing the family budget earning income and caring for their children were critical in protecting households from the worst hardships of industrial capitalism yet poverty or the threat of it molded intimate relationships and left its imprint on personalities This book is also a case study demonstrating the larger argument that the concept of motherhood is more socially and historically constructed than biologically determined Shaky household economics pressure toward respectability the close proximity of neighbors the precariousness of infant and child life and little chance of better lives for their children shaped the work and emotions of motherhood much more than did the biological experiences of pregnancy birth and lactation This beautifully written book embellished with Cockney slang and music hall songs addresses fascinating questions in the fields of women s studies labor history social policy and family history

To Love, Honor, and Obey in Colonial Mexico Patricia Seed, 1988 An account of the transformation of cultural assumptions affecting parental authority and children's freedom to choose marriage partners this book traces colonial period changes in ideas about free will love and honor and in the views of the Catholic church A Labour of Love Janet Finch, Dulcie Groves, 2022-08-24 What are the realities of community care the unpaid care given by hundreds of thousands of women often in their own homes for children and adults who are handicapped or chronically sick or for frail elderly people Originally published in 1983 this book explores the experiences of such women and the dilemmas which caring poses for them At a time when most women needed to earn money from a paid job how did carers manage to juggle their caring and other domestic responsibilities and what happened if they had to give up work Against a background of government policies which favour care by the community the contributors to this book raise crucial issues for social and economic policy Hilary Graham examines what caring really means and Clare Ungerson asks why women do it Sally Baldwin and Caroline Glendinning focus on mothers with handicapped children and Fay Wright on single adults with elderly dependants Alan Walker highlights the dependencies implicit in caring relationships with the elderly Lesley Rimmer looks at the economic costs of care and Dulcie Groves and Janet Finch examine the invalid care allowance a carers benefit for which married women can never qualify In exploring the domestic sector of welfare A Labour of Love was a highly topical contribution to the debate both on welfare provision and on the division of labour between men and women at the time Where There Is Love, There Is God Mother Teresa, 2010-08-10 Mother Teresa's relationship with God and her commitment to those she served the poorest of the poor is here powerfully explored in her own words Taken largely from her private lessons to her sisters published here for the first time Where There is Love There is God unveils her extraordinary faith in and surrender to God's will This book is in some way a sequel to *Mother Teresa Come Be My Light* in which her own very private spiritual struggles were explained Sent to alleviate the sufferings of the poor she assumed their struggles and pain in the depths of her heart This led to particularly intense anguish which she lived through with heroic courage and fidelity over several decades As important as this aspect of her life is that remarkable testimony of her life and her words intensifies the need and

desire to know more of her thought There is much she can teach us as we face our daily struggles or sufferings which can at times be unusually severe Where There is Love There is God though not an exhaustive anthology of Mother Teresa s teaching nonetheless shows what she believed and taught about important issues that confront all people Due to her constant interaction with people of diverse backgrounds no life situation was foreign to her and in this book her role is primarily one of teacher and guide Love is perhaps the word that best summarizes Mother Teresa s life and message The title reflects what she proclaimed during her entire life God is alive present and still loves the world through you and through me Mother Teresa sought to be an extension of God s heart and hands in the world of today She was called to be a missionary of charity a carrier of God s love to each person she met especially those most in need Yet she did not think that this was a vocation uniquely hers each person is in some way called to be a carrier of God s love Through the practical and timely advice she offers Mother Teresa sets us on the path to closer union with God and greater love for our brothers and sisters

MOTHER TERESA 1910 1997 was born in Skopje present day Macedonia and joined the Sisters of Loreto in Dublin in 1928 She left the Loreto order in 1948 to begin the Missionaries of Charity in Calcutta Her service to the poorest of the poor became her life s work She was awarded the Nobel Peace Prize in 1979 and was beatified in 2003
