Love Before Breakfast:

The Complete Lyrics of Alan Jay Lerner Alan Jay Lerner, 2018 The lyricist behind such enduring classics as *Brigadoon* *Camelot* and *My Fair Lady* Alan Jay Lerner 1918-86 was a consummate craftsman refining his work over and over In this book editors Dominic McHugh and Amy Asch bring to life the stories behind Lerner's oeuvre while also providing alternative or draft versions of his work For the theater lover and scholar alike the book sheds new light on one of musical theater's defining figures

Profane Angel Jerry Vermilye, 2023-11-14 When Carole Lombard was tragically killed in a plane crash on January 16, 1942 she was 33 years old and had been a film actress for almost 20 years yet her best work probably still lay ahead She had reached a career high point earning praise for her talents as a comedienne as well as a dramatic actress As well liked as she was on screen she was equally popular off screen known for being witty uninhibited and a great party giver Blonde and beautiful she reigned as the queen of Hollywood when she married Clark Gable its king This book offers a thorough examination of her too short life and provides information about her 78 films including cast and credits synopses reviews and comments Photographs from her life and films complete the work

Becoming Carole Lombard Olympia Kiriakou, 2020-02-20 *Becoming Carole Lombard* Stardom Comedy and Legacy is a historical critique of the development and reception of Carole Lombard's stardom from the classical Hollywood period to present day Based on original archival research Olympia Kiriakou combines theoretically informed textual analyses of Lombard's performances and star image across different media biographies publicity materials photography and film with a critical engagement of the cultural economic social and industrial conditions that shaped her stardom Sitting at the intersection of feminist film theory star studies and comedy theory this work presents Lombard as a case study to challenge the screwball canon and existent academic discourse about female physical comedy and the alleged delicate female body In doing so it formulates a new historical approach to understanding gender femininity and identity in Hollywood comedies of the 1930s Moreover this is the first research of its kind to offer a comprehensive understanding of Lombard's stardom beyond her associations with the screwball comedy genre

The Way We Were Dick Curtis, 2006-04-25 The story of Ray Pettit is the story of America a country of decent and generous people a country with a heritage and system of government based on liberty and the rights of individuals a country where opportunity has no bounds Encouraged by his mill worker parents who were lacking in formal education but not in intelligence character and love for their children he used his natural ability in mathematics and high level academic achievement as a springboard to great accomplishments in engineering some of which contributed to the development of today's modern cellphone technology *Mill Village Boy* begins with the story of a barefoot boy in overalls in the small town of Canton Georgia during the depression years of the 1930s Unconditionally loved by his parents Ray Pettit went from Class Valedictorian to graduation from Georgia Tech with a degree in Electrical Engineering This was followed by Masters and Doctor of Philosophy degrees and outstanding achievements in industry and academia *Mill Village Boy* has
