Mayes,2024-08-30 This is a riveting book with bite an exploration with edginess Compelling and arresting images confront us with a fresh view of Jesus and of ourselves as we rediscover our vocation to be Another Christ for troubled times Recent research into the first century setting of the gospel and the author s years in the Holy Land cast unexpected light on both the identity of Jesus and our present calling while Francis of Assisi reveals how this can be creatively lived out We have a choice If we keep before our eyes images of Christ that are comforting soothing familiar traditional then our Christian life may turn out to be prosaic pedestrian and predictable a preservative to maintain the status quo But if we allow our discipleship today to be unsettled and inspired by images of Christ that are dynamic risky outrageous brave passionate radical then we open ourselves to new possibilities we embark on a liberating adventure an odyssey of the soul a pilgrimage a voyage into untested waters What will we choose Do we dare to take the unpredictable path And which route will respond most courageously to the needs of today s wounded world **American**

Carder,Kenneth H. Carter Jr.,2019-09-17 Dementia diseases represent a crisis of faith for many family members and congregations Magnifying this crisis is the way people with dementia tend to be objectified by both medical and religious communities They are recipients of treatment and projects for mission Ministry is done to and for them

rather than with them While acknowledging the devastation of dementia diseases Ken Carder draws on his own experience as a caregiver hospice chaplain and pastoral practitioner to portray the gifts as well as the challenges accompanying dementia diseases He confronts the deep personal and theological questions created by loving people with dementia diseases demonstrating how living with dementia can be a means of growing in faith wholeness and ministry for the entire community of faith He also reveals that authentic faith transcends intellectual beliefs verbal affirmations and prescribed practices Carder asserts that the Judeo Christian tradition offers a broader lens defining personhood in relationship to God s story and humanity s participation in God s mighty acts of creation and new creation thereby contributing to hope community and self worth Pastors and congregations will be better equipped to minister with people affected by dementia receiving their gifts and responding to their unique needs They will learn how people with dementia contribute to the community and the church s life and mission discovering practical ways those contributions can be identified nurtured and incorporated into the church s life and ministry

Give Me Back My Wife ~ Lion of Judah, Son of God Christine Beadsworth, 2017-05-22 Many things have competed for the attention of the Beloved of the Lord Religion is ever waving its tentacles trying to detain her The Spirit of this age assaults her defenses with ever increasing ferocity At times it has seemed like her attention has been completely captured by inferior suitors Now God s patience is exhausted And many can hear His Roar reverberating in the heavenlies And it is not the sound of an approaching storm front although it may be accompanied by one both in the natural and spiritual realm It s a demand a shout of ownership that cannot be silenced It is not a request nor a gentle suggestion It is the righteous demand of the Conqueror the Lion of Judah Bridegroom King Who comes to claim the one who is rightfully His He doesn t beat around the bush or employ diplomatic negotiating strategies The Bridegroom WILL have what He purchased with the Bridal Price of His precious Blood And so with a bone rattling earth shattering roar He bellows GIVE ME BACK MY WIFE
