

"Family Love"

In the warmth of our embrace
A bond that cannot be erased
Through the ups and the downs
A family's love never frowns

With each laugh and each tear
Our love grows stronger each year
From the little things we do
To the memories we accrue

No matter how far apart
Our love connects us at heart
For family, we'll always stand
Hand in hand, our love expands

Elizabeth Gray

Love Is Forever Poems In Family Life:

My Poems of Life Elizabeth Gray, 2012-02 Elizabeth Gray's first book *I Relived My Nightmare From Hell* was a prelude to this one. Some of the poems written here were first incorporated in the preceding memoir as a different form of relating. Both books show her dramatic search for her own self-discovery. She has succeeded mainly in her battle with Agoraphobia. This came to the surface as told in her own words. Elizabeth's journey on her way to recovery is shown in a unique manner. All her poems come dancing on paper before your very eyes. Her words, which were dormant for years, come to life. Victory took many years to attain, but her solid determination and faith became the key factors. Elizabeth is married to Leo, the love of her life for over fifty years. They lead a simple life along with their dog Gretel and both still work in their now golden years.

The Complete Poems of Louis Daniel Brodsky: Volume One, 1963-1967 Louis Daniel Brodsky, 1996 As the initial volume of an impressive series comprising the full collection of verse by Louis Daniel Brodsky, this book begins with Brodsky's first poem written during his final months at Yale in 1963 and traces the author's maturation into his apprentice years when he was a young graduate student in English at Washington University in St. Louis, presenting the hundreds of poems, prose poems, and short autobiographical prose works he had composed by June of 1967 when he launched his professional writing career. These pieces serve not only as a measure of Brodsky's evolution as a poet but as a human being chronicling one man's struggle to find his purpose in life, to make a place for himself in a society often at odds with his own convictions. His hopes, fears, and frustrations permeate the work, revealing the intense inner conflicts he felt compelled to set to paper. From individual matters, his indecision over vocational goals, his candid experiences with love and rejection, the overwhelming isolation inherent in his academic pursuits, to more global concerns, especially his acute awareness of the increasing social and political turbulence surrounding him. By grappling with these issues in his writing, he explored passionate emotions, released tension, and at times resolved doubts evoked through his introspection. But more important, he used this outpouring to hone his creative skills and develop his personal and professional identity, ultimately creating this tangible record of his travail and his ecstasy, his certitude and his confusion, and finally his journey into the heart of the person he would never stop becoming, a poet.

From the depths of psychosis and depression to the highs of love, fantasy, and identity, these poems explore a wide range of experiences and emotions. Written as a form of catharsis during times of turmoil and mental health crises, these poems offer a window into the mind of the author and the struggles they have faced. Alongside reflections on the pandemic, these poems showcase the power of self-expression and the healing that can be found through the written word. *A Treasured Collection of Literary Works* Marlene E.

Catchin' the Drift O' the Draft Louis Brodsky, 2013-07-18 When you enter L D Brodsky's Catchin the Drift o the Draft you find yourself in the surreal world of a master satirist Imagine staring into a mirror and recognizing your reflection as that of a chimpanzee before you swing to work on a vine or consider the possibility that you and your spouse are the newest additions to the ape house at the zoo where your every move is being scrutinized Prepare yourself for Brodsky's auto factory assembly line worker from south St Louis who takes the stage in six pieces that set up a chronological continuity around which the other fictions swirl His humor is boisterous whimsical condemnatory at times even self deprecating his language a study in fractured English that nonetheless debunks conventional wisdom and political correctness exposing the cant and hypocrisy of 1990s America These fast paced fictions about persons bedeviled by phobias and physical afflictions arising from the realities of old age racism and too rapid change are pieces of life that examine the world and revel in its absurdities If Jonathan Swift Franz Kafka and Richard Brautigan could collaborate the result might be Catchin the Drift o the Draft a highly original satirical and altogether entertaining collection of forty one short short fictions Delight in them
