For Him Thomas Orsi,2020-03-08 If you are looking for that spark to re ignite your spirit or after giving so much a trigger to imagine something totally new If curious to find a lateral thought that will spur new ideas an open new directions Maybe just looking to fill that something that so far cannot be filled Then this is the book for you

Lest We Lose Love Scherto Gill,2023-04-18 Few are aware that since antiquity there has always been the philosophy of love at the core of Western culture It articulates what makes life meaningful and worthwhile and how we can live a good life together through an ethic of love This book fills this significant gap not only reconnecting the reader with such important wisdom and more crucially also reorienting our socio economic institutions and

collective actions towards more loving and caring and more concerned with the qualities of our lived experiences By rediscovering the gifts of love we may challenge the existing systemic dehumanisation and draw from knowledge and understanding already present in our culture This is timely because the global crises we are facing are catastrophic especially when it comes to climate change Therefore we must respond from a place of love rather than fear Whether it is reducing the use of fossil fuels lowering greenhouse emission choosing the right food to eat or advocating for structural transformation our concerted endeavours start with an appropriate appreciation of the nature of our well being which includes the planet's well ness This book highlights a clear pathway forward to ensure collective healing and co flourishing with nature we must practise the art of loving *In Time* Thomas Orsi, 2017-03-11 This 3rd edition is the final essence of the poetry and observations made during the first half of the author's life Acts of Faith Makarand R. Paranjape, 2013-06-01 An adventure into the heart of spiritual India that could change the way you think and live Acts of Faith Journeys to Sacred India is a sensitive and enriching exploration of the essential meaning and inner dynamics of sacred India Through a series of deeply textured narratives of well known masters ashrams and sacred sites it engages with that area of contemporary India where the profane and the sacred intersect each transforming the other This unusual pilgrimage shows how the pathway to the Divine is plural and open rather than closed or restricted While there are many travel books on India few combine an inquiry into the meaning of India with actual visits to sacred sites encounters with contemporary gurus and reflections on perennial themes like faith and love Using both textual sources and actual experiences Acts of Faith tries to define what constitutes the sacred making for a highly interesting cartography of India of the spirit The Materiality of Love Anna Malinowska, Michael Gratzke, 2017-09-27 Drawing on love studies and research in material cultures this book seeks to re examine love through materiality studies especially their recent incarnations new materialism and object oriented philosophy to spark a debate on the relationship between love objects and forms of materializing affection It focuses on love as a material form and traces connections between feelings and materiality especially in relation to the changing notion of the material as marked by digital culture as well as the developments in understanding the nature of non human affect It provides insight into how materiality in its broadest sense impacts the understanding of the meanings and practices of love today and reversely how love contributes to the production and transformation of the material world Love's Vision Troy Jollimore, 2011-07-05 Love often seems uncontrollable and irrational but we just as frequently appear to have reasons for loving the people we do In Love's Vision Troy Jollimore offers a new way of understanding love that accommodates both of these facts arguing that love is guided by reason even as it resists and sometimes eludes rationality At the same time he reconsiders love's moral status acknowledging its moral dangers while arguing that it is at heart a moral phenomenon an emotion that demands empathy and calls us away from excessive self concern Love is revealed as neither wholly moral nor deeply immoral neither purely rational nor profoundly irrational Rather as Diotima says in Plato's Symposium love is

something in between Jollimore makes his case by proposing a vision view of love according to which loving is a way of seeing that involves bestowing charitable attention on a loved one This view recognizes the truth in the cliché love is blind but holds that love's blindness does not undermine the idea that love is guided by reason Reasons play an important role in love even if they rest on facts that are not themselves rationally justifiable Filled with illuminating examples from literature Love's Vision is an original examination of a subject of vital philosophical and human concern **Being and Logos** John

Sallis, 2019-09-20 An exercise in the careful reading of the dialogues in their original character Being and Logos is a philosophical adventure of rare inspiration Its power to illuminate the text its ecumenicity of inspiration its methodological rigor its originality and its philosophical profundity all together make it one of the few philosophical interpretations that the philosopher will want to re-read along with the dialogues themselves A superadded gift is the author's prose which is a model of lucidity and grace International Philosophical Quarterly Being and Logos is highly recommended for those who wish to learn how a thoughtful scholar approaches Platonic dialogues as well as for those who wish to consider a serious discussion of some basic themes in the dialogues The Academic Reviewer Raise A Glass Full Series box set: A Steamy Small-Town Romance Anthology Mary E Thompson, Includes the entire Raise A Glass series in one full set Join these cousins as they build their futures learn what really matters and find love Love The Wine You're With Alyssa has one goal before she leaves for college lose her V-card Never A Bridesmaid Always A Bride Alyssa is back fifteen years later with a broken heart Jake isn't interested but neither can resist the pull that brought them together the first time Love At First Fight Cody has always loved Andie but she only saw him as her brother's best friend Until he starts working on her house and sees there's so much more to him Everything She Never Wanted Cynthia left when they were young and took Henry's heart with her Now she's back just when he needs someone to lean on Too True To Be Good Zach was not looking for love until it showed up on his doorstep Walk Of Fame When Dillon's one night stand turns up at his house the next day he knows he can't let her go Fake It Till You Break It Kristen is only looking to lose herself in a man not lose her heart But Zane is hard to resist Sealed With A Slap Sean found The One when he was young but now he's found the one who makes him crazy He can't resist her or resist fighting with her All's Fair In Love And Wine Leo has too much to do but when a beautiful woman walks in and sits down at his bar he knows she's special Too bad his best friend wants her too Love Is Thicker Than Water Ryan is still recovering from the loss of his father but a late night encounter with a stranger makes him smile Until he learns she's the daughter of his father's enemy
