Love Secrets Of Don Juan:

The Love Secrets of Don Juan Tim Lott, 2004-03-25 One man's blackly funny quest for love, self-knowledge and the solution to the impenetrable mysteries of the opposite sex. Daniel Savage's marriage and career have failed and his love life is a disaster. All he has left is a grimy bedsit and his six-year-old daughter. Who does he blame for his life? Himself. Men in general. And women, of course. Because Daniel thinks women are a nightmare from which there's no waking up. Is he right? He's determined to find out, firstly by trawling through the history of every relationship he's had and secondly by dating every woman he can find.

The Secret Language of Love Megan Tresidder, 2003-12 The Secret Language of Love is an evocative, richly illustrated glimpse into the mysterious phenomenon called love. Excerpts from love poetry and literature illuminate the enigma of romance, heartbreak and physical attraction. 200 illustrations.

Pedro Calderón de la Barca's The Fake Astrologer Pedro Calderón de la Barca, Max Oppenheimer, 1994 The present work represents the complete literary biography of this much-traveled play, including the critical Spanish text, a faithful modern rhymed English translation and a study of the adaptations. A critical appreciation of the comedia will allow the reader to understand how a typical baroque cloak and sword play of the Spanish Golden Age was transmuted to please audiences and readers with different national tastes and preferences.

Sensual Love Secrets for Couples Al Link, Pala Copeland, 2007 Is it possible to stir up passion after the flames of romantic love die down? How can one maintain a loving relationship that satisfies and stimulates year after year? Sensual Love Secrets for Couples offers one simple solution for stoking the fires of lifelong intimacy: awakening and uniting the Body, Mind, Heart and Soul. These four freedoms, the essence of human nature, have the power to transform a lusterless partnership into a divine union, sparkling with limitless pleasure and unconditional love. Featuring over one hundred exercises and fun activities, this practical guide helps readers explore the physical senses, establish trust, cultivate emotional intimacy, achieve sacred sex, embrace commitment, pledge selfless intentions and build spiritual bonds to last a lifetime.

Lad Trouble Andrea Ochsner, 2015-07-15 In the 1990s the male confessional novel, most prominently represented by Nick Hornby's *High Fidelity* but also by writers such as Tim Lott's *White City Blue* and Mike Gayle's *My Legendary Girlfriend*, articulated the structure of feeling of the male generation in their late twenties to early to mid-thirties. The book presents the advent of the male confessional novel in a fresh and yet critical light, challenging the feminist claim that the genre should be understood as a backlash against feminism and a relapse into sexism. By applying an eclectic theoretical framework ranging from Raymond Williams to Anthony Giddens, Judith Butler and Jacques Derrida, the study illustrates why the male confessional novel is too complex a phenomenon to be solely interpreted in terms of retrosexism. It convincingly shows how the multitude of postmodern gender scripts adds to the crisis of identity and to the problematic nature of clearly defined gender relationships.
