Love War:

War and Conflict Quotations Michael C. Thomsett, Jean Freestone Thomsett, 2015-09-02 History is replete with pronouncements on war Some reflect on man's warlike nature We are quick to flare up we races of men on the earth Homer others deal with the practical strategies of the combatants If Hitler invaded hell I would make at least a favorable reference to the devil in the House of Commons Winston Churchill and still others offer advice for avoiding conflict The most disadvantageous peace is better than the most just war Desiderius Erasmus More than 2 700 quotations on war and conflict are presented in this reference work The quotations are arranged by more than 100 broad categories from action to winning For each the quotation is first given followed by its author the work in which it appeared when appropriate and the date The book includes numerous cross references and keyword in context and author indexes are provided for further utility The Fourth Dimension of Warfare: Intelligence, subversion, resistance, by S. G. F. Brandon [and others] Michael Elliott-Bateman, 1970 Intellectual Agency and Virtue Epistemology: A Montessori Perspective Patrick Frierson, 2019-12-12 Drawing on the work of Maria Montessori and contemporary virtue epistemologists such as Linda Zagzebski and Jason Baehr Intellectual Agency and Virtue Epistemology presents a new interpretation of the nature of intellectual agency and its associated virtues Focusing on Montessori's interpretation of specific virtues including sensory attentiveness intellectual love and intellectual humility it discusses why these are virtues why one can be held responsible for them and how they relate to each other Moreover it considers pedagogical implications of considering these capacities to be virtues Intellectual Agency and Virtue Epistemology not only reveals the value of seeing Montessori as a virtue epistemologist it encourages educationalists to take seriously the cultivation of intellectual virtues as an important part of the education of children
