Jenkins,1983 *God Is Relevant* Luis Palau,2010-05-26 Is God relevant In this intriguing work internationally renowned author and public speaker Luis Palau tackles what noted historian Will Durant calls the greatest question of our time whether we can live without God Admittedly many individuals today want to go it alone without God Either they feel no need for God or they don t want God in their lives for some reason perhaps because of a bad experience with organized religion Or perhaps some have doubts because God seems to be outdated or contrary to current thought At the heart of such doubts are intellectual questions raised originally by some of modern history s most influential and outspoken atheists and agnostics Yet despite whatever doubts exist as we near the turn of the millennium interest in faith and spirituality is as strong as it has ever been and it continues to grow Noted religion pollster George Barna says Americans are probably more interested in spiritual matters than they have been in any other time in the past forty years In this book Luis Palau shows
