Dickinson,2019-12-11 When was the last time that we heard some good news For those tuned in to the ecological crisis and the daily chronicle of injustice the declaration of good news might seem synonymous with denial and avoidance The gospel of Jesus Christ helps us to face the suffering of the world and live in love and hope The only catch is it requires that we change It is only by losing our consumeristic profit seeking and isolated lives that we may save them The Green Good News finds a fresh take on the Gospels painting a picture of Jesus as a humorous and subversive teacher an organizer of alternative communities and food economies as a healer of bodies and relationships and as a prophet who sought to overturn an empire and restore a more just and joyful way of life Christ teaches and incarnates a vision for sustainable life and provides practices that mark the path toward it By exploring this always inspiring sustainable gospel we can find ways to transform our lives communities and even creation Enjoy the Good News Alan Hogan,2016-06-30 After more than 50 years as a lawyer having been a clerk Judge s associate barrister solicitor law teacher and five various types of judicial officer Alan Hogan decided to retire in order to do something different He obtained a Masters degree majoring in Biblical Studies at the Catholic Institute of Sydney He was astonished at how little he had known about the fundamental documents of his religion This book is an attempt to share some of what he learnt about the New Testament with other Catholics and with anyone else who may be interested It is not so much a book about the New Testament as a plan for reading all the books that go to make it up roughly in the order in which they were written with such additional information as to make available the message that each author intended to convey *Breaking Open the Lectionary* Margaret Nutting Ralph,2007 Will help those who Break open the Word in RCIA and those involved in Lectionary based faith sharing or Bible study groups to hear the Word as a living Word and to know that the Word they are hearing is compatible with what the biblical authors are teaching
