Luke Gladys M. Hunt,1986-01-01 In Conversation with God Francis Fernandez,2000 This is a translation of *Hablar con Dios* first published by Ediciones Palabra Madrid and by Scepter Conversation with God David C. Wilson,2020-08-07 David Wilson didn't know where to turn when his wife Chris was in the depths of clinical depression brought on by chronic fatigue syndrome and anorexia In despair he entered an empty church and said a simple prayer I have no power to affect anything in my life but you have the power If you help me I will serve you From then on their lives began to change A prayer group contacted them and through the power of prayer Chris's condition began to improve At the same time she found herself developing remarkable gifts of prophecy The author embarked on a theology course enabling him to look at what had happened to him and to Chris with a new perspective Is there he wondered a link between depression and spiritual awareness The author looks at the lives of Elijah and other Old Testament prophets and notes how signs of depression coincided with spiritual insights This fascinating and thought provoking book is the story of a couple's spiritual journey as well as a profound meditation on the connection between depression and prophecy **The Word Made Fresh** Meredith Gould,2008 More than a how to guide this book helps readers appreciate **On Earth as in Heaven** David Clark,2017-04-10 Convinced that we can no longer have direct unmediated access to the sense of Jesus's prayer but must account for the history of its effects David Clark seeks to trace the meaning of one of Christianity's most repeated and thus most effective texts through the early centuries of the faith Clark begins by arguing that the prayer's original context was in a revival of Jewish prayer then sets it in the literary context of Gospels that he argues represented Jesus as recapitulating Israel's testing in the wilderness in his own temptation He then traces the prayer's meaning within the narratives of Matthew and Luke and in the Didache then examines the first full commentary on the prayer that of Tertullian in the third century CE Clark attends to the evolution of ideas and themes embodied in the prayer and of the understanding of prayer itself across epic transitions from Judaism to the teaching of Jesus from Jesus to the Gospels and from the Gospels to earliest self consciously catholic Christianity This is an engaging narrative of the history behind and reception of the Lord's Prayer it illustrates how a text's reception may help us explore and understand the multivalent meaning of the text itself

IMMANUEL'S BRIDE AND THE HOLY SPIRIT Mario Depeine, Sr.,2014-02-28 *Immanuel's Bride and the Holy Spirit Building a Whole New World* is a riveting account of the Holy Spirit which captures the glory of God This compelling use of the scriptures portrays God's dynamic nature through His Holy Spirit It journeys from Genesis to Revelation and looks at the importance of Christians being in awe of God It conveys how lowering one's self before God and others promotes the free flowing of God's Spirit in every facet of one's life Both novice readers of the Bible as well as those well versed in it will learn a new dimension of their connection to the Holy Spirit and how to depend on Him Also readers will see God's plan for the ultimate wedding between Immanuel and His Bride *Immanuel's Bride and the Holy Spirit* is an uplifting and revealing profile

Mariology at the Beginning of the Third Millennium Kevin Wagner, M. Isabell Naumann, Peter John McGregor, Paul Morrissey, 2017-04-24 Since the Second Vatican Council the place of Mary in theology and generally in the life of the Church has been at times muted This is perhaps understandable given the debates concerning Mary's place in the documents of Vatican II In an ecumenical age it was argued the church needed a less triumphalist Mariology and piety with a greater focus on Mary as model disciple In certain respects this has led to a dichotomy between the continued Marian piety of many faithful and truth be told the piety of the post conciliar popes and a theological timidity concerning Mary This collection of chapters seeks to address the current situation of Mariology Taken as a whole these chapters represent a welcome call for renewal and reawakening in Mariology The collection is also delightfully eclectic both in terms of topics covered and in terms of the denominational and academic backgrounds of the authors
