consequences of actions While most of the tales have a humorous slant each tale has a lesson directed at those who venture to the outdoors via our waterways The tales provide fun examples for outdoor leaders teachers camp counselors and resource managers to utilize in an ever shrinking outdoor environment making this book a tool for both education and entertainment After all the outdoor educator is in the business of edutainment In the Odell Buckenflush Chronicles circumstances unfold and decisions must be made that have consequences Through the decisions we make hopefully we learn from our experiences gain wisdom and develop good judgement The great outdoor educator Paul Petzoldt once noted People in outdoor settings should learn from their experiences however many must have what just happened explained to them otherwise they keep making the same mistakes over and over There are a wealth of examples of what just happened in these tales While this compilation is not a treatise on learning theory it does provide different examples of learning We all learn differently as the great American humorist Will Rogers expressed There are three kinds of people Those that learn by reading The few who learn by observation The rest have to pee on the electric fence for themselves Have fun with these tales Odell does the peeing As the reader all you have to do is enjoy The design of all five volumes in the Odell Buckenflush Chronicles is consistent Each volume has forty eight tales arranged into four chapters entitled Inventions and Achievements Family Connections Rescue and Survival Philosophy and Life At the end of each tale is a short note entitled Tale of the Tale This section details the real life inspiration of the tale A Glossary of River Terms is included in each volume with accuracy and tongue in cheek definitions Multiple Appendices provide cross references for Rivers and geographic locations Previously published tales Subjects related to outdoor experiences Buckenflush characters in the tale Finally there is no single person who is Dr Odell Buckenflush He is a combination of real folks imagination and folklore Perhaps you may recognize yourself or your common experiences in some of these tales Steve Spencer

**The Rocks** Peter Nichols, 2016-05-31 Irresistibly sunny Set in the brightly lit Mediterranean amid old olive trees and sexual intrigue music and wine and beautiful women Propulsive The New York Times Book Review The perfect book for pretending it's already beach season O The Oprah Magazine A romantic page turner propelled by the sixty year secret that has shaped two families four lovers and one seaside resort community Set against dramatic Mediterranean Sea views and lush olive groves The Rocks opens with a confrontation and a secret What was the mysterious catastrophic event that drove two honeymooners apart so suddenly and absolutely in 1948 that they never spoke again despite living on the same island for sixty more years And how did their history shape the Romeo and Juliet like romance of their unrelated children decades later Centered around a popular seaside resort club and its community The Rocks is a double love story that begins with a mystery then moves backward in time era by era to unravel what really happened decades earlier Peter Nichols writes with a pervading soulful wisdom and self knowing humor and captures perfectly this world of glamorous complicated misbehaving types with all their sophisticated flaws and genuine longing The result is a bittersweet intelligent and romantic novel about how powerful the perceived truth can be as a bond

and as a barrier even if it's not really the whole story and how one misunderstanding can echo irreparably through decades

Coaching for Conservation in Botswana Africa Far more emotional than Gibbos trials and triumphs in the world of soccer is the thought of his grandchildren a continent away growing older and taller by the day and he is not there to see it happen He learns a mans worth is not measured in dollars and cents or in British pound but in a job well done whether in Europe South Asia Africa or the USA and that the icing on his cake is an annual trip to The Black Country of England to strengthen the ties that bind
