Introd. by Jean-Paul Sartre** Patrice Lumumba,1972 **Lumumba Speaks** Patrice Lumumba,1972 *Lumumba speaks (La pensée politique de Patrice Lumumba, engl.) The speeches and writings of Patrice Lumumba, 1958-1961* Patrice Lumumba,Helen R. Lane,Jean Van Lierde,1972 *The Ambivalence of Good* Jan Eckel,2019 The 20th century was marked by the emergence of human rights and their power to transform international relations but not everyone who claimed human rights wanted to make the world a better place while sometimes the benefits of human rights were unintended Eckel recounts a history that is complex polycentric and does not provide easy lessons *Historical Dictionary of the Democratic Republic of the Congo* Emizet Francois Kisangani,2016-11-18 This book looks at 55 years of independence over eight decades of colonial rule and earlier kingdoms and groups that shared the Congolese territory This fourth edition highlights new developments and the increasing importance of the DRC in the Great Lakes Region and Africa in particular as well as its important role in the international environment This fourth edition of *Historical Dictionary of the Democratic Republic of the Congo* contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 700 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about the Democratic Republic of the Congo *Congo* Thomas Turner,2013-04-18 The Democratic Republic of Congo has become one of the world's bloodiest hot spots 2003 saw the end of a five year war in which millions lost their lives one of the deadliest conflicts since World War II Despite recent peace agreements and democratic elections the country is still plagued by army and militia violence Congo remains deeply troubled since the deep rooted causes of conflict have not been adequately addressed The conflict in the DRC has divided opinion some call it a civil war or a war of aggression by the country's neighbours others a continuation of Rwanda's Hutu Tutsi conflict on Congolese soil and a war of partition and pillage The prevalence of rape and sexual violence has led some analysts to mark it out as a hidden war against women Tom Turner's insightful book reveals how each of these descriptions accurately captures the separate elements of this complex and multidimensional political conflict In exploring each of these contributory factors he shows how current attempts to rebuild the shattered state and society of DRC are doomed to fail So long as the full complexity of the Congo crisis is not taken into account and a clear consensus as to its precise dimensions reached the future looks bleak The DRC he argues will likely remain a global hot spot for some time to come **Africa after Modernism** Michael Janis,2013-05-13 *Africa after Modernism* traces shifts in perspectives on African culture arts and philosophy from the conflict with European modernist interventions in the climate of colonialist aggression to present identitarian positions in the climate of globalism multiculturalism and mass media By focusing on what may be called deconstructive moments in

twentieth century Africanist thought on intellectual landmarks revolutionary ideas crises of consciousness literary and philosophical debates this study looks at African modernity and modernism from critical postcolonial perspectives An effort to sketch contemporary frameworks of global intersubjective relations reflecting African cultures and concerns must resist taking modernism as a term of African periodization or master narrative but as a constellation of discursive and subjective forms that obtains upon the present moment in African literature philosophy and cultural history Africa after Modernism argues for a philosophical consciousness and pan African multiculturalist ethos that operate after the deconstruction of Eurocentrism beyond self other paradigms of exoticism or West Africa political ideologies in dialogue with postcolonial approaches to cultural reciprocity Cold War Spencer C.
