L'Union Européenne:

La famille dans l'ordre juridique de l'Union européenne / Family within the Legal Order of the European

Union Elsa Bernard, Marie Cresp, Marion Ho-Dac, 2020-12-31 Le droit de la famille dans sa dimension civiliste fortement ancrée dans les cultures nationales des États membres est une matière qui ne relève pas en principe du droit de l'Union européenne. Pourtant, il n'est plus possible d'affirmer que la matière échappe dans son entier au droit de l'Union. De nombreux aspects de la famille sont sous influence européenne au point que l'on voit se dessiner les contours d'une famille européenne. L'ouvrage propose de mettre en lumière l'acquis européen en matière de droit de la famille au prisme du droit matériel citoyennet européen, politique sociale de l'Union, fonction publique européenne comme du droit international privé. Le droit de la famille de l'Union s'identifie alors comme un droit spécial complétant la diversité des droits nationaux de la famille. Sa signification théorique et politique dans l'Union est débattue par les auteurs autant que son devenir. Loin de demeurer fragmentaire, ces droits nationaux des États membres ont probablement vocation à se densifier pour offrir aux citoyens et résidents européens un droit commun de la famille au sein de l'Union. Family law with its civil law tradition and strong roots in the national cultures of the Member States does not normally fall within the scope of European law. However, it is no longer possible to argue that family law is outside European law entirely. There are many aspects of the family which are subject to European influence to the point that the outlines of a European family are starting to emerge. This book is intended to highlight the European experience of family law and its substantive i.e. European citizenship, EU social policy, EU civil service and private international law aspects. Union law therefore contains a form of special family law which is shared between the Member States and supplements their national family laws. Its theoretical and political importance in the Union as well as its future are discussed by the authors. Far from remaining fragmented alongside the national laws of Member States, it will likely develop to offer European citizens and residents a common family law within the EU.

Avenir de la Reconnaissance Mutuelle en Matière Pénale

Dans L'Union Européenne Gisèle Vernimmen-Van Tiggelen, Laura Surano, Anne Weyembergh, 2009 In the EU's fast growing Area of Freedom, Security and Justice, the principle of mutual recognition should play a key role in the field of judicial cooperation in criminal matters. Since mutual recognition was enshrined as a cornerstone of judicial cooperation in the EU by the European Council of Tampere in 1999, an increasing number of binding instruments based on this principle have been adopted in the framework of the EU's Third Pillar. The considerable impact of those instruments on national criminal legal systems has often required a major effort by Member States in adjusting their national legislation so that it complies with the new mechanisms agreed at EU level. What are the real difficulties encountered by Member States in the transposition of these legislative texts into national law and even earlier when the texts are being negotiated within the Council of the EU? What lessons can be learned from the early years of their practical implementation by the competent judicial authorities? And

above all what will be the future role and scope of the principle of mutual recognition in criminal matters in Europe The entry into force of the Lisbon Treaty and the adoption of a new multi annual programme replacing the Hague Programme to strengthen the EU s Area of Freedom Security and Justice are both pending In this crucial time of transition and uncertainty the book seeks to provide answers to the above questions and many other related issues Through its country by country approach covering the vast majority of the Member States it intends to provide policymakers practitioners academics and researchers with a comprehensive analysis of the problems that have emerged and the solutions envisaged by each State in their implementation of mutual recognition instruments The country chapters are followed by a final EU wide analysis that seeks to identify common themes and obstacles and to consider future options and possible scenarios The whole study based on in depth research combined with interviews conducted with hundreds of practitioners and experts from across the EU amounts to a remarkable team performance carried out together with academics and researcher members of ECLAN

Les élections européennes 40 ans après - The European Elections, 40 years later Tony Marguery, Sébastien Platon, Hanneke van Eijken, 2020-09-28 En 2019 40 ans après la première élection des membres du Parlement européen au suffrage universel direct en 1979 les citoyens de l'Union étaient une neuvième fois appelés aux urnes Entre ces deux dates le Parlement européen a profondément changé passant d'une simple assemblée consultative au législateur de droit commun d'une Union européenne en proie de nombreuses crises Les contributions au présent ouvrage

tirés des travaux d'un colloque international qui s'est tenu à l'Université de Bordeaux les 9 et 10 mai 2019 entendent dresser le bilan des enjeux et les perspectives tant des élections européennes de 2019 que de la démocratie représentative européenne de façon globale. In 2019 40 years after the first election of members of the European Parliament by direct universal suffrage in 1979 the citizens of the Union were called to the polls for the ninth time. Between these two dates the European Parliament changed dramatically from a mere consultative assembly to the ordinary co-legislator of a European Union plagued by many crises. This book draws on an international conference held at the University of Bordeaux on May 9 and 10 2019. The various contributions therein intend to take stock, examine the challenges and envisage the prospects not only of the 2019 European elections but also of representative European democracy in general. Les opérations de maintien de la paix en Europe Wael Badawi, 2003-02. Les opérations de maintien de la paix ont été mises sur pied à l'origine pour faire face des conflits internationaux apparus après la Seconde Guerre mondiale. La première génération de ces opérations entreprenait des activités principalement d'ordre militaire sans pour autant imposer une solution au conflit. La fin de la guerre froide a transformé ces opérations. Celles-ci se sont multipliées et diversifiées pour devenir des opérations caractères globales pouvant prendre en charge simultanément les problèmes complexes causés par les conflits contemporains de plus en plus intercommunautaires au sein d'un même État et assortis de graves répercussions locales et internationales. Le conflit en Bosnie Herzégovine entre 1992 et 1995 permet d'analyser les contributions des cinq principales organisations internationales qui ont vocation participer aux opérations de maintien de la paix sur le continent européen en l'occurrence l'Organisation des Nations Unies (ONU), l'Organisation du Traité de l'Atlantique Nord (OTAN), l'Organisation pour la Sécurité et la Coopération en Europe (OSCE), l'Union de l'Europe occidentale (UEO) et l'Union européenne (UE). Malgré la présence de ces organisations disposant en théorie du moins des moyens nécessaires et le fait que les quatre organisations régionales impliquées développent durant cette guerre des compétences les habilitant entreprendre des opérations de maintien de la paix, la gestion de ce conflit s'apparenta pendant longtemps un échec. Le conflit s'est tal sur une période de près de trois ans et demi engendrant des massacres de grande ampleur et le plus grave problème de réfugiés en Europe depuis la fin de la Seconde Guerre mondiale. Par conséquent, il paraît nécessaire d'intégrer les contributions des

organisations en question dans la mise en œuvre de telles opérations multidimensionnelles afin d'assurer la complémentarité et la coordination nécessaires leur succès
