Sweeney, 2005 This guide includes profiles of ancient medieval and modern figures East and West the sublime and the unusual with special chapters exploring the differences between Catholic and Protestant imaginations ancient spiritual practices of relating to saints miracles apparitions stigmata and more *Butler's Lives of the Saints: Concise, Modernized Edition* Bernard Bangley, 2012-01-01 There is no greater authority on the saints than Alban Butler and his enormous research has been the standard reference on the subject for the last two and a half centuries This new adaptation of Butler's multi volume *Lives of the Saints* presents a modernized text for today's reader and provides an illuminating guide to these historic symbolic and foundational Christian men and women Butler's daily readings from the lives and works of the saints offer readers of all backgrounds the opportunity to engage directly with these great figures Butler's distinctive contribution to stories about saints was to turn attention away from the superhuman miraculous themes that are prevalent in earlier works He gives us saints who are examples of Christian living who provide inspiration for our own lives in every time and circumstance As Butler writes They were once what we are now travelers on earth They had the same weaknesses we have We have difficulties so had the saints Important features of this version include mention of recently canonized saints as well as those whose path to official sainthood is still in progress Also included in the daily readings are more obscure saints whose lives and contributions to Christianity should not be forgotten **Born Again and**

Angels and Saints Scott Hahn, 2014-05-27 Angels and saints Catholics tend to think of them as different from the rest of us They're cast in plaster or simmering on a holy card performing miracles with superhero strength or playing a harp in highest heaven Yet they are very near to us in every way In this lively book Scott Hahn dispels the false notions and urban legends people use to keep the saints at a safe distance The truth is that Jesus Christ has united heaven and earth in a close communion Drawing deeply from Scripture Dr Hahn shows that the hosts of heaven surround the earthly Church as a great cloud of witnesses The martyrs cry out from heaven's altar begging for justice on the earth The

prayers of the saints and angels rise to God in the Book of Revelation like the sweet aroma of incense Dr Hahn tells the stories of several saints and several angels too in a way that is fresh and new The saints are spiritual giants but with flesh and blood reality They have strong holy ambitions and powerful temptations and opposition that must be overcome Their stories are amazing and yet familiar enough to motivate us to live more beautiful lives In this telling of their story the saints are neither otherworldly nor this worldly They exemplify the integrated life that every Christian is called to live Still their lives are as different from one another as human lives can be Dr Hahn shows the heavenly Church in all its kaleidoscopic diversity from Moses to Mary Augustine to Therese and the first century to the last century Only saints will live in heaven We need to be more like the saints if we want to live in heaven someday Dr Hahn shows us that our heavenly life can begin now It must
