Mythologies of Violence in Postmodern Media

Christopher Sharrett, 1999 This anthology examines a number of issues related to violence within the media landscape. Violence has been a topic of continued concern within American culture and society. Although there have been numerous sociological and historical studies of violence and its origins, there is relatively little systematic analysis of violence within media representation even as this issue becomes preeminent within public discourse. This anthology examines a number of issues related to violence within the media landscape using various methodologies to suggest the implications of the increasing obsession with violence for postmodern civilization.

Lustmord Maria Tatar, 2020-07-21 In a book that confronts our society's obsession with sexual violence, Maria Tatar seeks the meaning behind one of the most disturbing images of twentieth-century Western culture: the violated female corpse. This image is so prevalent in painting, literature, film, and most recently in mass media that we rarely question what is at stake in its representation. Tatar, however, challenges us to consider what is taking place both artistically and socially in the construction and circulation of scenes depicting sexual murder. In examining images of sexual murder, *Lustmord* she produces a riveting study of how art and murder have intersected in the sexual politics of culture from Weimar Germany to the present. Tatar focuses attention on the politically turbulent Weimar Republic, often viewed as the birthplace of a transgressive avant-garde modernism where representations of female sexual mutilation abound. Here a revealing episode in the gender politics of cultural production unfolds as male artists and writers working in a society consumed by fear of outside threats envision women as enemies that can be contained and mastered through transcendent artistic expression. Not only does Tatar show that male artists openly identified with real-life sexual murderers, George Grosz posed as Jack the Ripper in a photograph where his model and future wife was the target of his knife, but she also reveals the ways in which victims were disavowed and erased. Tatar first analyzes actual cases of sexual murder that aroused wide public interest in Weimar Germany. She then considers how the representation of murdered women in visual and literary works functions as a strategy for managing social and sexual anxieties and shows how violence against women can be linked to the war trauma, to urban pathologies, and to the politics of cultural production and biological reproduction. In exploring the complex relationship between victim and agent in cases of sexual murder, Tatar explains how the roles came to be destabilized and reversed, turning the perpetrator of criminal deeds into a defenseless victim of seductive evil. Throughout the West today, the creation of similar ideological constructions still occurs in societies that have only recently begun to validate the voices of their victims. Maria Tatar's book opens up an important discussion for readers seeking to understand the forces behind sexual violence and its portrayal in the cultural media throughout this century.

Violence in Everyday Life Aliraza Javaid, 2020-07-23 *Violence in Everyday Life* explores how identity markers such as gender and sexuality intersect with violence, synthesizing the themes of gender, sexuality, and

violence to offering a crucial and coherent framework for understanding the interrelationship between these concepts Aliraza Javaid explores how violence is experienced at a local regional and global level and considers the ways in which hegemonic masculinities are reproduced through violence Attention is given to the particular ways in which these constructions of masculinity are reflected in areas such as homophobic violence transphobic violence and violence against intimate partners Drawing on new empirical data and his own personal experiences of violence as well as identifying new areas for further research Javaid s work represents a unique study of the interconnectedness of violence gender and sexuality and of how violence is fuelled by society s attitudes towards masculinity

Shadow Cinema James Fenwick,Kieran Foster,David Eldridge,2020-11-12 Filmmakers and cinema industries across the globe invest more time money and creative energy in projects and ideas that never get produced than in the movies that actually make it to the screens Thousands of projects are abandoned in pre production halted cut short or even made and never distributed a shadow cinema that exists only in the archives This collection of essays by leading scholars and researchers opens those archives to draw on a wealth of previously unexamined scripts correspondence and production material reconstructing many of the hidden histories of the last hundred years of world cinema Highlighting the fact that the movies we see are actually the exception to the rule this study uncovers the myriad reasons why failures occur and considers how understanding those failures can transform the disciplines of film and media history The first survey of this new area of empirical study across transnational borders Shadow Cinema is a vital and fascinating demonstration of the importance of the unmade unseen and unknown history of cinema

Hunting Humans Elliott Leyton,2011-10-05 In this classic study Elliott Leyton challenges the conventional idea of serial murderers as deranged madmen He explores the twisted but comprehensible motives of a half dozen notorious killers Edmund Emil Kemper Theodore Robert Bundy Albert DeSalvo The Boston Strangler David Richard Berkowitz Son of Sam Mark James Robert Essex and Charles Starkweather In the process of describing their crimes Leyton exposes the cold rationality that underlies their apparent pointlessness The result is startling a revelatory text on a deeply troubling topic

Violence Against Women Pauline B. Bart,Eileen Geil Moran,1993 Violence against women permeates our society at every level in every setting Murder rape intimidation pornography workplace harassment incest are all part of a general belief built into the roots of patriarchal society Women are proper targets of male violence The chapters in this book contributed by some of the most prolific contemporary writers on women s issues explore this culture of violence and oppression examining its ideological underpinnings and its structural supports in the social political and legal systems that protect the violent by blaming the

victim **Femicidal Fears** Helene Meyers, 2001-10-19 Argues that contemporary female Gothic novels of death can in fact breathe new life into feminist debates about victimization essentialism agency and the body **Male Envy** Mervyn Nicholson, 1999-01-01 Taking as his central argument that relations between males in western society are deeply colored if not actually determined by envy Mervyn Nicholson ranges across disciplines and eras in a fascinating utterly unique analysis of this taboo subject This book presents a series of motifs that are associated with male envy locating each in a particular historical context and illustrating it with examples drawn from literature film and popular culture Unlike earlier treatments of envy by psychoanalysts or feminist theorists this book moves beyond mere illustration of the problem to actually construct a theory about how the code of Male Envy shapes social consciousness in modern culture A truly pathbreaking work Male Envy merits a close reading by gender theorists literary critics and social psychologists **Gender and Sexuality** Momin Rahman, Stevi Jackson, 2010-12-06 Finally a book that bridges feminism and critical sex studies Rahman and Jackson have written a smart accessible overview of the dynamic relationship between gender and sexuality that will seriously engage an undergraduate audience This book teaches students by raising questions and providing the intellectual resources to navigate the complex terrain of contemporary sexual and gender politics One of the few must use classroom texts I've read in a long time Steven Seidman author of the Social Construction of Sexuality State University of New York **The Case of Literature** Arne Höcker, 2020-06-15 In The Case of Literature Arne Höcker offers a radical reassessment of the modern European literary canon His reinterpretations of Goethe Schiller Büchner Döblin Musil and Kafka show how literary and scientific narratives have determined each other over the past three centuries and he argues that modern literature not only contributed to the development of the human sciences but also established itself as the privileged medium for a modern style of case based reasoning The Case of Literature deftly traces the role of narrative fiction in relation to the scientific knowledge of the individual from eighteenth century psychology and pedagogy to nineteenth century sexology and criminology to twentieth century psychoanalysis Höcker demonstrates how modern authors consciously engaged casuistic forms of writing to arrive at new understandings of literary discourse that correspond to major historical transformations in the function of fiction He argues for the centrality of literature to changes in the conceptions of psychological knowledge production around 1800 legal responsibility and institutionalized forms of decision making throughout the nineteenth century and literature's own realist demands in the early twentieth century **Tartan Noir** Len Wanner, 2015-04-20 A comprehensive and fascinating guide to the worldwide crime fiction phenomenon known as Tartan Noir covering all its major authors What is Tartan Noir Which authors belong to this global crime fiction phenomenon Which books should you read first next again or not at all And what are the many historical political and cultural influences that have woven themselves into the Tartan Noir success story Here Len Wanner investigates the literature's four main sub genres the detective the police the serial killer and the noir novel Covering four decades worth of literary history Wanner offers not only four in depth cross

Crime, Inequality and the State Mary Vogel,2020-10-28 Why has crime dropped while imprisonment grows This well edited volume of ground breaking articles explores criminal justice policy in light of recent research on changing patterns of crime and criminal careers Highlighting the role of conservative social and political theory in giving rise to criminal justice policies this innovative book focuses on such policies as three strikes two in the UK and you re out mandatory sentencing and widespread incarceration of drug offenders It highlights the costs in both money and opportunity of increased prison expansion and explores factors such as labour market dynamics the rise of a prison industry the boost prisons provide to economies of underdeveloped regions the spreading political disenfranchisement

of the disadvantaged it has produced Throughout this book hard facts and figures are accompanied by the faces and voices of the individuals and families whose lives hang in the balance This volume an essential resource for students policy makers and researchers of criminology criminal justice social policy and criminal law uses a compelling inter play of theoretical works and powerful empirical research to present vivid portraits of individual life experiences **True Crime and Women** Lili Pâquet,Rosemary Williamson,2024-08-22 Bringing new research from true crime writers scholars and media practitioners around the world this book offers fresh perspectives on how women read write and are portrayed in true crime stories across different platforms including documentaries podcasts and TikToks The genre of true crime is flourishing and it is overwhelmingly consumed by women Despite this there is much we do not know about how women consume true crime and are represented in true crime stories of various kinds This edited volume helps to fill this gap in our knowledge Across ten chapters and using a variety of study methods including creative practice interviews surveys archival research and case studies the book reveals the multifaceted ways that true crime matters to women and suggests areas of future research It also offers new insights on a diverse range of topics such as racial identities fraudsters activism victimisation and deviance as well as highlighting major cases from past to present which have influenced criminal justice responses True Crime and Women is intended for researchers and students of criminology literary studies gender studies media and journalism studies and rhetorical studies as well as media practitioners and writers **Feminism And Philosophy** Nancy Tuana,2018-02-06 The past twenty years have seen an explosion of work by feminist philosophers and several surveys of this work have documented the richness of the many different ways of doing feminist philosophy But this major new anthology is the first broad and inclusive selection of the most important work in this field There are many unanswered questions about the future of feminist philosophy Which of the many varieties of feminist philosophy will last and which will fade away What kinds of accommodations will be possible with mainstream non feminist philosophy Which will separate themselves and flourish on their own To what extent will feminists change the topics philosophers address To what extent will they change the very way in which philosophy is done However these questions are answered it is clear that feminist philosophy is having and will continue to have a major impact on the discipline of philosophy This volume is the first to allow the scholar the student and other interested readers to sample this diverse literature and to ponder these questions for themselves Organized around nine traditional types of feminist philosophy Feminism and Philosophy is an imaginatively edited volume that will stimulate readers to explore many new pathways of understanding It marks a defining moment in feminist philosophy and it will be an essential text for philosophers and for feminist theorists in many other fields **Monstrosity** Alexa Wright,2013-06-30 From the Monster of Ravenna to the Elephant Man Myra Hindley and Ted Bundy the visualisation of real human monsters has always played a part in how society sees itself But what is the function of a monster Why do we need to embody and represent what is monstrous This book investigates the appearance of the human monster in Western culture both

historically and in our contemporary society It argues that images of real rather than fictional human monsters help us both to identify and to interrogate what constitutes normality we construct what is acceptable in humanity by depicting what is not quite acceptable By exploring theories and examples of abnormality freakishness madness otherness and identification Alexa Wright demonstrates how monstrosity and the monster are social and cultural constructs However it soon becomes clear that the social function of the monster however altered a form it takes remains constant it is societal self defence allowing us to keep perceived monstrosity at a distance Through engaging with the work of Michel Foucault Julia Kristeva and Canguilhem to name but a few Wright scrutinises and critiques the history of a mode of thinking She reassesses and explodes conventional concepts of identity obscuring the boundaries between what is normal and what is not
