Dear Friends and Members of St. Pauls Cambridge,

As the pandemic lock-down continues, I imagine that many of us are feeling weary at best, or even worse.

One of the most helpful things we can do, is to recognize and name our concern. Doing so gives it less power over us. I recently read an article from *Huffington Post* that could help us to name our distresses. Here are 10 common possibilities that we might be facing:

10 Sneaky Ways Your Coronavirus Anxiety Is Coming Out *By Dominique Astorino*

1. You're feeling more tired than usual, even if you don't do much during the day
2. You aren't sleeping well
3. You startle easily
4. You're channeling lots of energy into hobbies or activities
5. You don't have much interest in anything
6. Intense loneliness
7. You're experiencing reactivation or agitation of other mental health conditions
8. You're getting more headaches or other physical issues
9. You get angry or have more frequent outbursts
10. You keep forgetting things

The full article can be viewed at https://www.huffpost.com/entry/sneaky-ways-coronavirus-anxiety-coming-out_1_5ec2feade5b6cb36f3f2f05a It offers suggestions for how to cope with each of these.

I know that I've experienced several of these symptoms. If you have noticed any of these in your own life, and want to talk, please email me or phone the office and leave a message. I check frequently for messages.

Please know that you remain in my thoughts and prayers.

With love,

Pastor Stephen Weber

The American Lutheran ,1924 Life and Letters of W. A. Passavant, D. D. George Henry Gerberding,1906 *Luther: Letters of Spiritual Counsel* Martin Luther,2018-09-03 Martin Luther is often thought of as a world shaking figure who defied papacy and empire to introduce a reformation in the teaching worship organization and life of the church Sometimes it is forgotten that he was also a pastor and shepherd of souls Collected in this volume are Luther s letters of spiritual counsel which he offered to his contemporaries in the midst of sickness death persecution imprisonment famine and political instability For Luther spiritual counsel was about establishing nurturing and strengthening faith Freshly translated from the original German and Latin these letters shed light on the fascinating relationship between his pastoral counsel and his

theology Since spiritual direction is not the wholesale application of general principles but the painstaking working out of spirituality in specific situations the personal letter is one of its best expressions Luther knew the holy gospel and the human heart and the double knowledge is evident on the pages of these letters Eugene H Peterson Regent College

Letters across Borders B. Elliot,D. Gerber,S. Sinke,2006-09-02 This collection addresses the recent rebirth of interest in immigrant letters As these letters are increasingly seen as key rather than incidental documents in the interpretations of gender age social class and ethnicity nationality the scholars gathered here demonstrate a diversity of new approaches to their interpretation

American Protestants and the Debate over the Vietnam War George Bogaski,2014-02-19 As American soldiers fought overseas in Vietnam American churchmen debated the legitimacy and impact of the war at home While the justness of the war was the primary issue they also argued over conscientious objection the legitimacy of protests the weapons of war and other related topics Divided into three primary groups mainline conservative evangelical and African American and including fourteen denominations this book uses the churchmen s publications and proceedings to better understand how American religion responded to and was impacted by the Vietnam War In the various debates churchmen brought their theological convictions and reading of the Bible to bear on their political perspectives Convictions about sin the nature of man the fate of the world violence and benevolence had direct impact upon the foreign policy perspectives of these churches Rather than result in static political positions these convictions adapted as the nature of the war and the likelihood of American success changed over time The positions taken by American denominations brought about attitudes of support opposition and ambivalence toward the war but also impacted the vibrancy of many churches Some groups were rent asunder by the fractious debilitating debate Other churches due to their greater ideological clarity and unanimity saw the war provide an impetus for growth Regardless of the individual consequences the debate over the Vietnam War provides a concrete study of the intersection of religion and politics

The Letters of Johann Ernst Bergmann, Ebenezer, Georgia, 1786-1824 Russell C. Kleckley,2022-02-14 The

Letters of Johann Ernst Bergmann edited and translated by Russell Kleckley chronicles the experiences and perceptions of a German Lutheran pastor called to serve a struggling community in the American South soon after the Revolutionary War. Written mostly to Bergmann's superiors at the important center of German Pietism in Halle, the letters not only report on conditions in Ebenezer, Georgia, established over a half century earlier by religious refugees from Salzburg; they also offer a distinctive and often critical look at American culture, religion, and politics from an outsider's viewpoint. Bergmann stresses the practical and corrosive impact of American notions of freedom in everyday life while also commenting on a wide range of other issues, including Georgia's relationship with Native Americans and the practice of slavery. Letters to Lutheran Pastors: 1951-1956 Hermann Sasse, 2013. Thus Sasse begins nearly thirty years of correspondence with Lutheran pastors in Australia, the United States, and around the world on topics as varied as the nature of the Sacraments or of the Church, mission, church history, the nature of Scripture, ecumenical issues, especially unification efforts in the Lutheran Church and world Christianity, and much more. Each letter reflects Sasse's passionate commitment to the building up of the Church of Christ on earth and to the Lutheran Confessions. *The Missionary Letters of Vincent Donovan* John P. Bowen, 2011-01-01. Vincent Donovan is best known as the author of the influential bestseller *Christianity Rediscovered* 1978. This new book contains the monthly letters he wrote home from Tanzania between 1957 and 1973. These letters give us previously unknown stories: how Donovan met Julius Nyerere, first prime minister of Tanzania; how a group of Protestants attempted to kill him; of his early disastrous attempt to hear confession in Swahili; of the relationship between Donovan's work and Vatican II; and much about the mysterious Sonjo tribe among whom Donovan spent his last years in Tanzania. They also give insights from the hilarious to the poignant into Donovan, the man, in relationship to his family, his missionary colleagues, and the Maasai. Copies of original photographs are also included. Most significantly, the letters show Donovan's evolution over the years from a young missionary who was passionate about acquiring land for church buildings into a mature visionary convinced that the only job of the missionary is to preach the gospel. A concluding essay looks at the legacy of Donovan thirty-five years later, with contributions from three Spiritan missionaries who continue to live out his legacy in Tanzania and elsewhere today. Finally, the essay looks at Donovan's continuing influence on contemporary renewal movements in North America and in Britain. Those who have been inspired by *Christianity Rediscovered*, missiologists, church renewal leaders, and students of Gospel and culture will find much here to delight and to challenge.
