The Sunday Assembly Lorraine S. Brugh, Gordon W. Lathrop, 2008-12-09 Addresses the general principles that have guided the shaping of Evangelical Lutheran Worship, considering that central liturgy of Christian worship: Holy Communion. This text examines how worship interacts with environment, music and the preached word and features useful and practical suggestions for all those who lead the assembly in worship around word and table. *Holy Conversation* Jonathan Linman, 2010-03-15 Linking the themes of spirituality and worship and giving each needed focus in ways that are biblically and theologically rich and consistent with ecumenical traditions, this book specifically explores the relationship of sacred reading, *lectio divina* to worship. Linman sees this practice as one element in the larger liturgical action of Gathering, Word, Meal and Sending. Our spiritual worship of Rom 12:1 he argues is the holy conversation between worshipers and the triune God who leads us to greater participation in Christ and to transformation through Christ's presence. **Issues in Prayer**

Book Revision Robert W. Prichard, 2018-09-17 Essays from academics across a spectrum of perspectives. The Standing Commission on Liturgy and Music sought input from multiple sources in order to better understand the charge of the General Convention of 2015 suggesting that it present a plan for the revision of the Book of Common Prayer to the 2018 Convention. While the individual chapters of this volume raise a variety of differing issues, they share a common assumption that one of the sources of information for the Standing Commission and the Church in its deliberations ought to be the community of academically trained liturgical scholars. The hope of this volume is to open a conversation across the church that will continue in the future.
