*Paul and Secular Singleness in 1 Corinthians 7* Barry N. Danylak, 2024-04-04 Paul's discussion of marriage and singleness in 1 Corinthians 7 has long presented exegetical challenges beginning with the chapter's opening statement 'It is good for a man not to touch a woman.' Interpreters continue to debate whether the ascetic language of the statement reflects the views of Paul or the Corinthians. They also debate the motivations for the rise of an ascetic movement in Corinth. In this ground-breaking study, Barry N. Danylak offers a fresh solution to these conundrums. Using evidence from Egyptian census papyri, he demonstrates the prevalence of secular singleness in Roman urban environments. He also draws on classic Greek marriage debates to argue that the Corinthians' disposition likely reflected an Epicurean perspective of secular singleness and that Paul himself was responsible for the touch language as a rhetorical adaptation in his response to the Corinthians' question. Combining fresh evidence with attentive analysis, Danylak's study thus proposes a viable resolution to these long-standing exegetical challenges.

profound religious tradition      The Collected Works Philip Schaff, 2022-11-13 Philip Schaff's *The Collected Works* stands as a monumental contribution to the field of Christian theology and ecclesiastical history. This compendium comprises a thorough examination of the development of Christian doctrine drawing on a myriad of historical sources, biblical texts, and theological discussions. Schaff's literary style is characterized by its scholarly rigor, lucidity, and a deep commitment to historical continuity, offering readers an engaging narrative interspersed with critical analysis and contextual elaboration that is crucial for understanding the evolution of Christian thought. The work reflects the late 19th-century context in which it was produced, a period marked by both the consolidation of Protestant scholarship and burgeoning ecumenical movements.

Philip Schaff (1819-1893), a Swiss-born theologian, arrived in America as part of the wave of European intellectuals seeking new opportunities in the wake of religious and political upheavals. His extensive academic career, including founding institutions and engaging in theological debates, has provided him with profound insights into the interactions between faith and culture. Schaff's profound passion for unifying the Christian Church and his extensive scholarly background in history and language shaped the vision for this comprehensive collection. *The Collected Works* is an essential read for scholars, theologians, and laypersons alike who seek to delve into early Christian history and doctrine. Schaff's meticulous scholarship invites readers to engage with the complexities of faith across centuries, making it not merely a work of historical documentation but also a compelling narrative that inspires contemporary discourse on Christianity's relevance today.

**Luther's Works - Volume 28** Martin Luther, 1968-05-10

Overview: This volume offers three short commentaries on Pauline Epistles that were written with a particular purpose and called for by a specific need. The

commentary on 1 Corinthians 7 must have been a study item for Luther himself for in it he gives himself the opportunity to come to grips with the whole matter of celibacy versus marriage The second item is an extended series of sermons on 1 Corinthians 15 the great chapter on the resurrection These sermons were delivered by Luther in a time of great physical weakness and there can be little doubt that the consciousness of personal weakness contributed much toward the desire to study and proclaim the message of 1 Corinthians 15 in depth To this we add Luther's lectures on 1 Timothy one of those shorter series of lectures undertaken when most of the University of Wittenberg had moved to Jena to escape the plague Yet the subject here is not sickness or death but the office of a bishop or pastor and how to administer it in faithfulness to the Gospel About the Series Luther's Works The American Edition published by Concordia and Fortress Press between 1955 and 1986 comprises fifty five volumes These are a selection representing only about a third of Luther's works in the Latin and German of the standard Weimar Edition not including the German Bible
