**The Lydian Baker** David Wishart,2011-11-10 In voluntary exile in Athens Marcus Corvinus receives a letter from his antiquarian stepfather Priscus who has learned that the 4 ft solid gold statue of a female baker one of a large number of valuable gifts to the Delphic Oracle by the 6th century BC King Croesus of Lydia has reappeared and is being offered for sale in Athens on the black market Corvinus agrees to be his agent and to try and buy it But as a result he finds himself caught up in the world of organised crime as well as in a deadly struggle of interests with other less scrupulous collectors The

Lydian Baker David Wishart,2016-11-07 When the solid gold statue of a female baker gifted to the oracle at Delphi by King Croesus of Lydia and missing for over three centuries unexpectedly reappears on the Athenian black market Corvinus s stepfather Helvius Priscus recruits him as go between in the purchase Priscus though it turns out isn t the only interested party and where bidding methods are concerned his rivals don t play games The fourth book in the Marcus Corvinus series

**The Detective as Historian** Ray Browne, Lawrence Kreiser,2009-03-26 Deeper understanding of history is enhanced by encasing it in art and interest Crime fiction is one of the widest and most rapidly growing forms of literature Historical crime fiction serves effectively the double purpose of entertaining while it teaches The truth of the narrative account the editors of this volume believe is dependent on the understanding of human nature reflected in the author who writes the narrative Historical crime fiction the editors of this volume write has an obligation and a golden opportunity It must bring the past up to the present through the device of timeless crime and it must take the reader into the world about which is being written so that the characters are alive and the events interesting and challenging Professional writers of fiction need to be more effective than mere authors of dates and assumed motivations Therefore they can fill in human motivations and drives where no records exist and can aid the professional historians in what historian David Thelen calls the challenge of history which is to recover the past and interpret it for the present The essays in this volume accept the challenge and make major accomplishments for meeting it **Trade Secrets** David Wishart,2016-02-01 The intriguing witty and irreverent new

mystery featuring Ancient Roman sleuth Marcus Corvinus May AD 41 The emperor Claudius has acceded to the throne and the citizens of Rome look forward to an era of peace and stability Not so Marcus Corvinus however who finds himself embroiled in not one but two investigations A friend of his wife has asked him to look into the murder of her brother found stabbed to death at the Shrine of Melobosis A wily businessman and notorious womaniser no one seems to have a good word to say about Gaius Tullius not even his less than grieving widow But who would have a good enough reason to want him dead At the same time Corvinus s daughter comes across a dead body in the Pollio Gardens and urges her father to investigate At first Marcus refuses to get involved but when his enquiries lead him to Ostia Rome s busy trading port he uncovers a disturbing connection between the two deaths Foreign Bodies David Wishart,2016-09-01 Ancient Roman sleuth Marcus Corvinus is despatched to Gaul on a personal mission for the emperor June AD 42 The emperor Claudius himself has

requested Corvinus's help in investigating the murder of a Gallic wine merchant stabbed to death as he was taking an afternoon nap in his summer house at Lugdunum. Not especially happy at being despatched to Gaul and even less enamoured of his enforced travelling companion the insufferable Domitius Crinas, Corvinus is increasingly frustrated as it becomes clear that the dead man's extended family and friends are hiding something from him. Unused to strange Gallic customs and facing an uphill struggle getting anyone to talk freely to a Roman, Corvinus is convinced that there's more to this murder than meets the eye but a stranger in a strange land, how is he going to prove it?

**Solid Citizens** David Wishart, 2013-11-01 Murder visits the Winter Festival in the days of Ancient Rome. Marcus Corvinus investigates the death of a seemingly respectable citizen in this gripping twist-filled mystery in the critically acclaimed historical series. A perfect read for fans of Lindsey Davis and Rosemary Rowe. Like Chandler's Marlowe, Corvinus wisecracks his way through a weary world of murder and intrigue until he hunts down the truth. *The Times* December AD39. While enjoying the Winter Festival holiday at his adopted daughter's home in the Alban Hills, Marcus Corvinus discovers that an outwardly respectable pillar of the community, local politician Quintus Caesius, has been discovered beaten to death at the rear entrance of the town brothel. Questioning those who knew the victim, Corvinus is dismayed to find Bovillae a place of small town secrets, bitter feuds, malicious gossip and deadly rivalry a world away from the sophistication of Rome. As he is to discover, there are several suspects with reason to bear Caesius a grudge. But who would hate him enough to kill him? And what would a supposedly solid citizen be doing visiting the local brothel? Praise for *Solid Citizens* and the Marcus Corvinus mysteries: Fans will greet this new Corvinus novel with open arms. Booklist. Wry first person narrative. Wishart adds his usual evocative historical touches. Kirkus Reviews. Brings ancient Rome vividly to life, bound to keep Lindsey Davis fans entertained. Library Journal. Corvinus proves an astute sleuth as he tackles the nicely constructed puzzles. Publishers Weekly. Wishart's investigator pinches his conversation style and hardboiled wisecracking from classic Hollywood noir, which adds a charming incongruity to this entertaining whodunit. *Financial Times*. Like Chandler's Marlowe, Corvinus wisecracks his way through a weary world of murder and intrigue until he hunts down the truth. A taut thriller in which ancient Rome springs to life. *The Times*.

**Fraser's Magazine**, 1853 **In at the Death** David Wishart, 2010-03-10 The surprise suicide of a young man with apparently everything to live for prompts his family to ask Marcus Corvinus to investigate. All they really want is an explanation. But Marcus's sleuthing uncovers many contradictory elements in the tale and he is forced to conclude that this wasn't suicide at all but murder. As usual, he needs Perilla's agile brain to untangle the complexities of the case and the pair come to realise that the suicide scenario has a political as well as a personal dimension. As if that's not enough, Corvinus finds his investigations hampered by his new role as reluctant dog-sitter to the seriously misnamed Placida, a Gallic boarhound with a gargantuan appetite and minimal personal hygiene.

*Fishing Excerpts*, 1854 **Finished Business** David Wishart, 2014-11-01 Ancient Roman sleuth Marcus Corvinus uncovers a treasonous plot in this witty and intriguing new mystery. November AD 40. When a wealthy consul's wife

asks Corvinus to investigate the death of her uncle killed by a block of falling masonry during renovations on his estate in the Vatican Hills a sceptical Corvinus is inclined to agree with the general verdict of accidental death But his investigations reveal clear evidence of foul play as well as unearthing several skeletons among the closets of this well to do but highly dysfunctional family Who could have wanted Lucius Surdinus dead His vengeful ex wife His ambitious mistress His disillusioned elder or his estranged younger son Or does the key to the mystery lie in the dead man s political past But when Corvinus s investigations draw him to the attention of the emperor a dangerously unpredictable Caligula his prospects of surviving long enough to solve the mystery look slim to say the least
