Lyndon B. Johnson Robert Dallek,2005 This superb one volume biography of Lyndon Baines Johnson is by the bestselling author of An Unfinished Life John F Kennedy 1917 1963 **Media Management in the Age of Lyndon B. Johnson** Benjamin W. Quail,2022-01-01 This book looks broadly at how the contentious relationships between the media and US President Lyndon B Johnson affected the national consciousness during the turbulent period of his leadership Johnson had to deal with a particularly difficult and divisive period in American history and his relationship with the press undoubtedly contributed to an atmosphere of friction within the United States A more specific purpose of this research monograph is ultimately to shine a light on the trials and tribulations that Johnson faced as a president dealing with new forms of communication in the 1960s It aims to show the difficulties that he had in adapting a very personal style of leadership which had served him well in the Senate in the role he undertook as leader of a nation Further to this it builds on this foundation to argue that Johnson developed a reactive passive stance to dealing with the media one that ultimately contributed to a loss in popularity and status as leader a blow he never recovered from during his time in office **US Foreign Policy Decision-Making from Kennedy to Obama** A. Hybel,2014-03-13 This book analyzes the foreign policy decision making processes of Presidents John F Kennedy Lyndon B Johnson Richard Nixon George H W Bush George W Bush and Barack Obama during military intervention by way of contemporary foreign policy decision making models FPDMS **When Things Go Wrong** Charles F. Hermann,2012-03-12 The question of how to deal with adverse feedback to high stakes foreign policy speaks to a number of important current scenarios in international relations The esteemed contributors to this book offer explanations and illustrative case studies of critical choice points in foreign and national security policy Competing theories from several of disciplines primarily psychology political science and management offer insights into a subject that has been very little studied in foreign policy yet is as current as today s headlines **American Book Publishing Record** ,2004 **In the Shadow of FDR** William E. Leuchtenburg,2011-03-15 A ghost has inhabited the Oval Office since 1945 the ghost of Franklin Delano Roosevelt FDR s formidable presence has cast a large shadow on the occupants of that office in the years since his death and an appreciation of his continuing influence remains essential to understanding the contemporary presidency This new edition of In the Shadow of FDR has been updated to examine the presidency of George W Bush and the first 100 days of the presidency of Barack Obama The Obama presidency is evidence not just of the continuing relevance of FDR for assessing executive power but also of the salience of FDR s name in party politics and policy formulation **Annual Report of the Director of the Mint** United States.
