Samuel Taylor Coleridge 1772 1834 was an English poet literary critic and philosopher who with his friend William
Wordsworth was a founder of the Romantic Movement in England and a member of the Lake Poets He wrote the poems The
Rime of the Ancient Mariner and Kubla Khan as well as the major prose work Biographia Literaria His critical work especially
on Shakespeare was highly influential and he helped introduce German idealist philosophy to English speaking culture He
coined many familiar words and phrases including suspension of disbelief He was a major influence on Emerson and
American transcendentalism Coleridge is one of the most important figures in English poetry His poems directly and deeply
influenced all the major poets of the age He was known by his contemporaries as a meticulous craftsman who was more

rigorous in his careful reworking of his poems than any other poet and Southey and Wordsworth were dependent on his professional advice **Lyrics of Fir and Foam** Alice Rollit Coe,2015-11-15 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant Catalogue of Copyright Entries Library of Congress.
