Choicest Lyrics from the Realms of Love Delineating Cupid's Charms and Snares, and Hymen's Joys and Cares, and Depicting the Gaieties and Gravities of Courtship and Marriage in Every Age and Clime, 189? **Lyrics of Love** B. Russell Holt, 1988

The Lyrics of Civility Kenneth Bielen, 2016-01-20 This book is the first comprehensive scholarly study of religious images in popular music Examining bestsellers from 1906 to 1971 the work explores the role religious images have in the secularization of American culture Popular music lyrics that express an adherence to a sacred order are couched in inoffensive content less language These lyrics of civility reflect and shape the increasing secularization of American culture in the twentieth century The analysis focuses primarily on the way these lyrics reduce the meaning of the terms and theology of the Biblical faith The aesthetic of civility carries over into theology the narratives and the accompanying instrumental arrangements of songs that adhere to the Biblical sacred order On the other hand lyrics that reject the Biblical tradition use content filled offensive language The result is that displaced adherents withdraw from the Biblical tradition and turn to alternative cultural religions or idols of attraction including popular music that offer meaning to fill a void in the individual The secularization of American society therefore is not a withdrawal from the idea of religion itself The analysis focuses on the two dominant themes in songs that include religious images prayer and heaven The author explores the songs of the two world wars the hit parade era the rhythm and blues and doo wop of the 1950s the new folk singer movement soul music and rock music of the 1960s and the revival rock of the early 1970s The work demonstrates the capacity of one form of popular culture to separate adherents from a subculture through diluting the meaning of the language of the subculture s elemental thought Ph D dissertation Bowling Green State University 1994 revised with new preface bibliography and index

Smith,2021-10-21 After Pearl Harbor Tin Pan Alley songwriters rushed to write the Great American War Song an Over There for World War II The most popular songs however continued to be romantic ballads escapist tunes or novelty songs To remedy the situation the federal government created the National Wartime Music Committee an advisory group of the Office of War Information OWI which outlined proper war songs along with tips on how and what to write The music business also formed its own Music War Committee to promote war songs Neither group succeeded The OWI hoped that Tin Pan Alley could be converted from manufacturing love songs to manufacturing war songs just as automobile plants had retooled to assemble planes and tanks

But the OWI failed to comprehend the large extent by which the war effort would be defined by advertisers and merchandisers. Selling merchandise was the first priority of Tin Pan Alley and the OWI never swayed them from this course. Kathleen E R Smith concludes the government's fears of faltering morale did not materialize. Americans did not need such war songs as 'Goodbye Mama I'm Off To Yokohama', 'There Are No Wings On a Foxhole' or even 'The Sun Will Soon Be Setting On The Land Of The Rising Sun' to convince them to support the war. The crusade for a proper war song was misguided from the beginning and the music business then and now continues to make huge profits selling love not war songs.
